SPECIFICATIONS

Overview

This stunning custom runabout was completed in 2001 and has been under single ownership since new. Totally unique, one-off design; she was built for entertaining friends and cruising the fresh waters of Lake Muskoka in Canada.

Adequately powered with twin Mercruiser 350 engines. Vic Carpenter was renowned as a skilled craftsman and boat builder. This was the last boat completed before his passing. The boat has recently been reduced and is now priced very favorably for a twin engine boat of this size, quality & pedigree.

Model: Twin Eight's

DETAILED INFORMATION

History of the Vessel

Originally designed and built by master designer and builder Vic Carpenter of Muskoka, Ontario, Canada, this launch was completed in 2001 for her current owners.

Her well-appointed interior features surround seating in the aft cockpit, trimmed in mahogany, teak, and maple wood. She is adequately powered with twin Mercruiser MAG 350 engines through Mercruiser Alpha outdrives.

The boat features a soft top cockpit shade that fastens to the integrated arch, allowing the boat to be used with the shade up, or removed. This is a social boat that is great for day cruising or entertaining!

Summary

This stunning custom runabout was completed in 2001 and has been under single ownership since new.

Totally unique, one-off design; she was built for entertaining friends and cruising the fresh waters of Lake Muskoka in Canada. Adequately powered with twin Mercruiser 350 engines.

Vic Carpenter was renowned as a skilled craftsman and boat builder. This was the last boat completed before his passing.

The boat has recently been reduced and is priced now very favorably for a twin engine boat of this size.
