## Overview

---

In the World of Westport yachts, "CAVALLINO" stands out as a benchmark by which subsequent 112's were built. At the time of launch, this hull was the highest specified 112 of the 45 to come out of the Westport and Hoquiam, WA yards. She has enjoyed continuous care under open checkbook maintenance since new and it shows throughout.

- "CAVALLINO" just completed an interior refit (10/2019), with new carpets, soft goods, and bedding throughout.
- "CAVALLINO" has a proactive maintenance program that is extremely comprehensive and the machinery and machinery spaces show as new.
- "CAVALLINO" is in absolutely turn-key condition and is ready for your winter voyage.

# DETAILED INFORMATION

---

## Introduction

---

One of the most extensively customized 112' Westport Hulls ever delivered; "Cavallino" was originally launched as "White Star", and built by a multiple Westport owner who spared no expense. The interior woods, joinery, and stone-work were all completed in-house in Westport's Washington facilities in the Pacific Northwest. The extensive use of book matched raised panel mahogany, marble, granite and Onyx came as the result of millions invested in Westport's furniture facility two years prior.

## Short List of Build Upgrades

---

- Stainless Steel Pacific Coast fully-automatic Aft Deck boarding doors
- Custom raised paneling with book-matched flamed Mahogany throughout the vessel with crown molding and wood accents
- Custom raised ceiling feature in Dining area
- Custom Island Galley with granite counters, wood decking, Mahogany facing on appliances, and a custom raised overhead feature over
- Dining Banquette
- Custom wood tables at Aft Deck bar
- High-gloss overheads on Aft Deck
- Custom Compass Rose tables with stainless steel pedestals on Aft Deck and Flybridge dining areas
- All Galley appliances upgraded
- Custom leather wrapped handrails throughout vessel
- VIP Stateroom with custom chest of drawers and vanities with enlarged en-suite bath
- Enlarged entry door from landing to VIP Stateroom
- Master stateroom with Custom raised paneled flamed Mahogany, custom upgraded
- California King bed and custom built Mahogany headboard
- All lighting changed to LED throughout the vessel

## Re-fit List (2016 - 2019)

---

- Teak Decking Systems - New Teak on Boat Deck
- Transom repainted
- All interior lights changed to LED (Upgraded)
- Most exterior lights changed to LED (Upgraded)
- (6) Underwater lights changed to LED (Upgraded)

- Air handler added to Engine Room space
- Stationary Engine Room camera
- Headhunter MSD System (2017)
- Survitec Extreme 12-person Life Rafts (2017-Re-certified 2019)
- Intellian Satellite (New)
- All stereo speakers throughout vessel (New)
- All smart televisions throughout vessel (New)
- Nobletec Chart Plotter (New)
- American Yacht table Aft Deck, custom Compass Rose (New)
- American Yacht table Bridge Deck, custom Compass Rose (New)
- American Yacht table Sun Deck, custom design (New)
- Refrigeration and icemaker on Aft Deck (New)
- Aft Deck television replaced with Daylight Seura Waterproof 50" TV (New)

- Bow bench seating with custom cushions
- Upgraded JL Audio speakers and stereo system with portable weather-proof Creston Control (2017)
- Indirect accent lighting
- Upgraded stainless steel plated anchors to match the stainless steel anchor plates
- Bosun's locker with ample storage and 100 amp shore cable with Glendenning reel

---

## Electrical Systems

---

- (2) Northern Lights 65kW Generators with vibration, sound shields, remote start/stop controls in the Wheelhouse and crew breaker panels (Stbd: 1150 hours, Port: 10944 hours as of 1/2020)
- A/SEA AQ50 Power Converter
- IntelliSea S-1Ship's Monitoring System for accurate voltage and amperage readings
- (3) Battery chargers including 70 amp for 12V DC services, 95 Amp for 24V DC services,
- (2) 40 Amp for main engines and generators
- AMG Cell type batteries in four banks (Ship's 12V, dedicated main engine and generator start batteries)
- Lightning protection antenna and Dyna plate
- 208V Boost Transformers to accommodate 3-phase shore power
- Main electrical distribution panel located in the crew area

---

## Safety & Fire Protection

---

- FM200 Fire Suppression System with manual/automatic controls located in both the main Engine Room and main electrical compartment
- (13) Coast Guard approved adult life preservers with strobe lights
- (6) Coast Guard approved child life preservers with strobe lights
- (2) 24" Throw rings with strobe lights
- Flare kits
- Ship's bell per Coast Guard Regulations
- Zee 155 Medical kit

---

## Mechanical Equipment and Machinery Space

---

- EVERY SERVICE IS UP TO DATE
- Twin MTU 16V2000 Engines rated at 2000 HP, integrated station selection and synchronization features, underwater exhaust, upgraded chrome package, Port 4825 approx. hours, Starboard 4825 approx. hours

- 2 HP Air Compressors (2017)
- Air Handler added to machinery space (2017)
- (3) Marine air chiller 5-ton units with frequency drivers, integrated Temper Logic controls, air handlers and thermostats throughout the yacht with air handler added in engine space
- (8) Mounted bilge float switches connected to the Ship's Monitoring System
- (2) Fixed emergency bilge pumps, 240V, with 1 1/2" PVD lines to each compartment of the ship
- All through hulls are bonded with #8 wire to transom zincs
- American 60HP Bow thruster, 40 HP stern thruster with 16" single prop and dual PTO
- (2) 240V and (1) 24V (back-up) fresh water pumps
- Algae X-fuel Polishing System
- Fuel fills located on both port and starboard side to allow fueling from either side and help with venting for faster fueling
- Fuel levels are monitored both electronically through the IntelliSea Ship's Monitoring System and visually through clear site gauges located in the Engine Room
- 100 Gallon gas tank located on Swim Platform for fueling of water toys
- 600 Gallon black water tank with inspection hatch cleaned and Headhunter MSD Treatment System (All New Components 2017)
- 60 Gallon clean lube oil and 60 gallon used lube oil tanks which can be used in conjunction with portable transfer pump and quick connects located on the main engines, transmissions, and generators
- Cast Urethane foil shaped rudders with stainless steel stocks, fiberglass sleeves, Tides Dripless seals, and bearings (with spare seals)
- (2) 48" Michigan Nibral 5-Blade custom props (balanced and tested last yard period)
- 1100 Gallon Aluminum fresh water tank with Epoxy coating, inline filters and UV light
- (2) Water heaters - 80 gallon and 38 gallon
- (2) Greywater sump boxes with automatic float switches tied to over board pumps
- 4" Aquamet 22 H.S. Shafts
- Jastram power steering with dual engine driven pumps and four steering stations
- (2) Sea Recovery SRC Water makers capable of making over 100 gallons of fresh water per hour
- Overhead mounts in Engine Room for fishing rods
- Self-coiling air and water hoses for easy access installed in Engine Room
- Custom storage cabinets installed in Engine Room
- Stainless steel workbench with 4' vise and tool chest

---

## Remarks

---

In the World of Westport yachts, "CAVALLINO" stands out as a benchmark by which subsequent 112's were built. At the time of launch, this hull was the highest specified 112 of the 45 to come out of the Westport and Hoquiam, WA yards. She has enjoyed continuous care under open checkbook maintenance since new and it shows throughout.

- "CAVALLINO" just completed an interior refit (10/2019), with new carpets, soft goods, and bedding throughout.
- "CAVALLINO" has a proactive maintenance program that is extremely comprehensive and the machinery and machinery spaces show as new.
