## Overview

---

This exceptionally well maintained 2001 Pursuit 3000 Offshore has been well cared for by its owner since purchase. It has all of the amenities needed for a great day fishing offshore or inshore. Center helm design with a tower with controls makes this a fun and easy boat to handle. The interior is in excellent condition and would make for a great weekender or overnight trip. Numerous rod holders, a bait-well and tackle station provide everything needed for a successful fishing trip. An excellent boat at a great price.

# DETAILED INFORMATION

## MAIN DESCRIPTION

This exceptionally well maintained 2001 Pursuit 3000 Offshore has been well cared for by its owner since purchase. It has all of the amenities needed for a great day fishing offshore or inshore. Center helm design with a tower with controls makes this a fun and easy boat to handle. The interior is in excellent condition and would make for a great weekender or overnight trip. Numerous rod holders, a bait-well and tackle station provide everything needed for a successful fishing trip. An excellent boat at a great price.

## MANUFACTURER'S DESCRIPTION

. The Pursuit 3000 Offshore is tournament-bred following the classic styling of the great Palm Beach designs. The generous 12-foot beam provides a wide-open cockpit to battle big game. The centerline helm comes complete with a tall pedestal seat, and two more to port and starboard. It has ample space for a full suite of electronics for extended offshore voyages, and gives the captain excellent visibility. Two cushioned storage / cooler boxes provide additional seating, while a highly functional bait prep center puts everything within reach, including a transom fish box with overboard drain, cutting board, tackle lockers, circulating livewell, and a sink with spray hose. The inviting cabin, detailed in teak and holly accents and finished in contemporary fabric patterns, has the spaciousness to make family and guests feel right at home. The settee, featuring a high-gloss teak table with a hand-crafted inlaid marlin, is served by a functional galley with, AC/DC refrigerator and plenty of storage. A large double berth forward, roomy settee, and pilot berths make overnight voyages a pleasure. With a hull design specifically created for performance, stability and a soft, dry ride, the 3000 Offshore is a reliable standard in the Pursuit line.

## CABIN

The cabin is entered from the companionway on starboard and down 3 steps. Once in the cabin, the first thing you notice is the beautiful teak interior. The compact cabin has everything you need on a fishing boat of this size. There is a settee to starboard, which converts to an upper & lower berth. The galley is aft with a small vertical rod locker next to it. On the port side there is head aft and a small seating/storage area forward. A double berth is located in the bow with lots of storage beneath. There is a dinette table mounted on the starboard bulkhead. The table has a rotating base so that it can swing into the area between the port and starboard settees. The cabin will sleep a total of 4.Thwart Ship Double BerthCustom bedding with extra sheets - 2017Mirror On Forward BulkheadDrawer At Foot Of BerthRod Storage Underneath BerthTeak & Holly SoleTeak InteriorStarboard Settee Converts To Upper & Lower Berth (Beige Ultra Leather)Storage Under SetteeSettee TableBuilt-In Seat On Port w/StorageHanging Locker w/Teak Louver Door(1) Large & (2) Small Overhead Hatches w/ Screens(4) Halogen Reading LightsMarine Air Reverse Cycle Air Conditioning System w/Digital DisplayCO2 DetectorSmoke DetectorLighted Rod Locker

## HEAD

HEAD Full Fiberglass Liner Jabsco Electric Head Shower Seat Stainless Steel Sink Handheld Shower Mirror Shower Sump Pump 12v Lighting 110v Outlet (1) Opening Port Shower Curtain Storage Rack Storage Under Sink

## HELM

The helm deck area is well arranged and features triple forward facing Pompanette seats with a centerline helm. The companionway is off to starboard and there is a chart flat over on port. There are two aft facing jump seat directly behind the outboard forward facing seats. A molded-in bait prep/livewell unit is on centerline at the aft end of the area. The helm area is entered on either side of the bait prep unit. ## Cockpit

COCKPIT The cockpit arrangement is outstanding for a boat of this size. There is a large fishbox across the transom; a transom door with tuna gate to starboard and a bait prep station is on centerline forward. A custom built fiberglass storage / bench seat stores the stern anchor and tow line.
