Overview

This is a FAST TRAVELER! This immaculate 2010 57E Marlow Explorer is the perfect combination of fun and elegance. As you step onto the cockpit you will find ample space for entertaining, seating, and storage. Walking into the salon through a set of sturdy aft door immediately gives you the cozy feel of home with two comfortable chairs to port and a settee to starboard. In this space you will find ample storage throughout, including underneath the settee. As you walk forward and up a couple of steps on the port side brings you up to the pilothouse. Here you will find a gourmet galley aft, dining area forward to port, a centerline helm, and a set of stairs on the starboard side that lead you down to the 3 staterooms. As you come down these steps and arrive at the landing area of the companionway, you will notice the VIP stateroom forward, guest stateroom on the port side, and the full beam master aft. The master has an en suite head located to port. The VIP and Port guest stateroom share a head located on the starboard side of the companionway. Heading back up to the flybridge level you will notice the Open Flybridge style provides 360° sight line of the vessel from up here. Another helm station in this level, also equipped with an array of electronics, allow for a great view whether you are cruising or at anchor enjoying a meal al fresco on the dining area of the flybridge deck. "Eagle Aye" is powered by twin C18 diesel engines (1015 hp each) and a single 21kW Onan generator. Whether you are looking to head up the intracoastal for a sunset cruise or taking the trip of a lifetime to the Caribbean, this 57E Marlow Explorer is sure to satisfy your needs.

- Completely refinished exterior varnished teak (stripped and re-varnished) 2019
- Transom repainted
- Serviced A/C chillers in 2019
- All batteries replaced 2019
- Bottom job, painted running gear in 2019
- New Yacht Controller 2017

Salon

As you walk into the salon from the cockpit through a set of double doors, you can immediately appreciate her 18'4" beam which makes "Eagle Aye" seem like a much bigger yacht. The teak and holly floor is partially covered and protected by a custom rug which extends the length of the whole room. To port there is a comfortable settee with a wet bar area forward which includes a large counter with sink, wine cooler, and refrigerator with ice maker. To starboard, she was built with an L-shaped settee and a desk just forward of it. The middle of the room is accented with a gorgeous high gloss teak table, finished with a camphor burl top. Looking forward, there is a large flat screen TV with cabinets with glass doors to either side. The salon has ample storage all the way around including under the settees, under counter at the bar, and forward under the TV.

- Teak and Holly floors
- Refrigerator with ice maker
- Wine cooler
- Sink
- Teak blinds
- Upgraded granite countertop (salon bar)

- Flat screen TV
- Bose Home Theatre Sound System

Pilothouse

Forward of the salon and up three steps brings you to the Pilothouse. Here you will find the galley, dining area, and lower helm.

The galley has upgraded black granite countertops, two refrigerator/freezer combo units, stove top, oven, dishwasher, and abundant storage. All of the cabinet doors in the galley are elegantly finished with matte finished caphor burl accents. Just forward of the galley are the dining area and lower helm. The dining area which provides comfortable seating for 5-6 adults is located on the port side of this space. Sitting here you have a 360 degree view of your surroundings, ideal for dinner with a view while at anchor. Just to starboard of the dining area is the lower helm. With a centerline Stidd captains chair and an array of electronics at your finger tips, this helm station is equipped to cruise anywhere you wish. Just above the captains head as he is sitting on the helm chair, there is an indicator panel that includes any breakers needed for navigation, controls for your stabilizers, ship information, tank tender just to name a few. The pilothouse is equipped with access doors on both port and starboard sides, providing easy access to the side decks and the bow area. The teak and holly floor in this space is also covered and protected by a beautiful custom rug.

- 2x refrigerator/freezer combo
- Cooktop
- Microwave
- Dishwasher
- Disposal at sink
- Large Sink
- Teak blinds
- Granite countertops
- Stidd captain's chair

Deck/Cockpit

The superstructure of the vessel is Oyster White gelcoat and the hull is Flag Blue

AwlGrip. You can board “Eagle Aye” from the swim platform or from one of the boarding gates on either side amidship. From the swim platform looking forward you can walk up to the cockpit from the steps on port or starboard sides.

- AwlGrip painted Hull (Flag Blue)
- Teak Decks
- Docking Station- tethered controller (port cockpit)
- Upgraded oval exterior stainless hardware package
- Upgraded removable N-rails on swim platform
- Varnished cap rail with Stainless Steel Handrail

Engine/Mechanical

The engine room is well lit and air conditioned. The bilges are coated with white AwlGrip paint and removable teak grates line the center bilge area. The Twin Caterpillar C-18 Engines sit on robust stainless wrapped stringers atop soft mounts which greatly reduce vibration contributing to the Marlow Explorer’s reputation for a “smooth ride.”. Each engine and generator has its own pair of Racor fuel filters for redundancy. There are 2 intake fans and 2 exhaust fans designed to quickly cool down the space after running the vessel. The engine room has standing headroom and has been designed to allow easy access to all equipment. Placing fuel tanks forward of the engine room allows the full beam to be used for upgraded equipment placement. The twin sea chests provide all sea water to the engine room through redundant sea chests that are cross plumbed, as seen in the highest quality mega yacht builders, commercial ships, and military vessels. Upgraded 21kW Onan generator in custom sound box and mounted forward in the engine room provide sufficient electrical power at sea (the generator will independently carry the entire vessel’s electrical load). The Naiad stabilizer hydraulic system is also found here in the engine room. The fuel tank is located at the vessel’s center of gravity which translates into no requirement of fuel management for trim or ballast, allowing all supply and return valves to remain open unless equipment isolation is desired. Fuel levels can be checked via sight tube mounted up against the fuel tank on the forward part of the engine room where it is easily accessed and viewed.

- Twin Caterpillar C18 1015 HP engines (1750 hrs)
- 21kW Onan generator in custom sound shields (2550 hrs)
- Yacht Controller

-
- Sea Recovery Watermaker "Aquamatic" 1000 GPD
 - Outback inverter and charger
 - Centaur 24V 60AMP Charger
 - Centaur 12V 40AMP Charger
 - Bow Thruster
 - Stern Thruster
 - 2 Forward and 2 Aft 50 Amp Shore Power cables- All with Upgraded Glendenning Cable masters
 - Backlighted electrical Panels
 - Carbon Monoxide detectors in all berthing spaces
 - Soft Motor Mounts
 - Two Cross-Connected Sea Chest Sea Water Intakes with cleanouts
 - FRP Fuel Tank (1340 gallons) with sump and cleanout
 - Fuel Manifold and proprietary Sight Gauge for most accurate fuel level readings
 - Dual Racor fuel filters with pressure gages for each engine and generator
 - Fire Suppressant System
 - Engine Room Lead/Foam Sound and Heat Insulation System
 - High Volume Engine Room Blowers
 - Polished Stainless-Steel Engine beds
 - Painted bilges
 - Oil change system
 - Common Drainage System from Bow to Stern collects deck drain, scupper and sump discharge
 - Underwater Exhaust
 - Underwater lights
 - AGM Batteries

- Air-Conditioned Engine Room and Crew Quarters
- Naiad 252 Model Stabilizers
- ESI Fuel Polisher
- Master Volt Inverter
- Marquipt Boarding Ladder
- Bennett Trim Tabs

Open Flybridge

The Open Flybridge on “Eagle Aye” provides a 360-degree view giving you great sight lines while navigating. Well-appointed with Furuno electronics package including screens, Autopilot, Yacht Controller, VHF radios, and numerous other systems, she is a dream vessel for any captain. There are 2 Stidd captains’ chairs mounted at the helm with all navigational equipment at your fingertips. On the port side you will see a custom designed bench with an elevated forward-facing seating just forward of outdoor galley. This space is equipped with a propane grill, refrigerator with freezer, sink, and ample storage. To starboard you will find the seating area with FRP table ideal for lounging or dining al fresco.

- Full Furuno electronics package
- Yacht Controller
- Two (2) Furuno Chartplotter with NAVNET 3D
- Simrad AP28 Autopilot
- VHF- iCOM IC-M604
- Bow and Stern Thruster Controls
- Single and Double Stidd helm chairs
- Naiad MultiSea II Roll Stabilizer
- Two (2) Furuno FL-50 Multi-Display
- Search light- Sanshin HR-1012
- Richie Compass
- Storage throughout and under seating areas

Upper Aft Deck

The upper aft deck on “Eagle Aye” houses a big deck space that holds the 12' Nautica tender while underway.

- Upgraded Aritex Davit (1000lbs)
- 12' Nautica Caribe Tender with 40HP Yamaha Outboard

Electronics

- Full Furuno electronics package
- Yacht Controller
- Two (2) Furuno Chartplotter with NAVNET 3D
- Simrad AP28 Autopilot
- Furuno Radar with 6-foot array
- Two (2) Furuno FL-50 Multi-Display
- Speed Depth and Wind with independent displays
- iCOM M604 VHF radio
- KVH Tracvision HD7 SAT TV
- Naiad MultiSea II Roll Stabilizer Controls
- Bow and Stern Thrusters
- Search Light- Sanshin HR-1012

Companionway

As you come down the stairs from the pilothouse you land in the companion way. Forward is access to the VIP stateroom and aft is the door to the master stateroom. On the starboard side of the companionway you will find a full size washer and dryer behind beautiful teak louvered doors.

- Upgraded Whirlpool Washer
- Upgraded Whirlpool Dryer

Master Stateroom

The master stateroom is full beam with a centerline berth and the ensuite head to port. On the starboard side, “Eagle Aye” has abundant storage in large drawers and hanging locker cabinets. Additional storage underneath the bed and also on the nightstands which are topped with matte finished burl wood. The master head to port has black granite countertops, a large shower, and beautiful shiplap planks on the outboard wall.

- Upgraded Burl wood accent surfaces
- Teak and Holly floors
- Grohe head shower
- Grohe chrome faucet
- Vacuflush toilet
- Upgraded Black Granite countertop in master head

VIP Stateroom

The VIP stateroom consists of a large elevated centerline berth with abundant storage underneath, above the bed to either side, and hanging lockers on either side. The nightstands in this room match the master’s with an elegant matte finished burl wood top. This room has private access to the guest head which is located to aft and starboard of the VIP room.

- Teak and Holly floors
- Grohe head shower in port guest head
- Grohe chrome faucet in port guest head
- Vacuflush toilet
- Upgraded Black Granite countertop in guest head

Port Guest Stateroom

The port guest stateroom houses two stacked bunks, ample storage throughout, a

desk facing aft, and a TV on the aft wall of the room. The countertops here, including the desk, also match the master's elegant matte finished burl wood top.
