Vessel Walkthrough

MAGNIFICA is a very large, well constructed express cruiser built to the highest standards by Baia Yachts. The midnight blue hull is outstanding and the white superstructure compliments the beautiful exterior profile of this stunning Italian yacht.

The fiberglass hard top with radar arch is very versatile. When the electric powered sun roof is closed, the immense cockpit lounging area can be closed off with Isinglass curtains and A/C. The cockpit has a helm station forward that was given new dashboard graphics in 2013. There is bolstered seating for 6, while to starboard are 2 refrigerated drink lockers, a U-Line icemaker, and wet bar with built-in flat screen TV.

Aft is a very large, luxurious U-settee that will seat up to 10 guests, while opposite is an L-settee with space for up to 4. Both cushioned settees have hi/lo tables. The entire cockpit and aft deck are finished with teak decking. The foredeck is clean, uncluttered and open with a very large sun pad that has a non-skid patterned cover when not in use. This area also has hatches accessing the crew quarters.

A comfortable stairway leads down to the salon. The main salon is beautifully finished in high gloss cherry wood, off-white wall coverings and high quality blue carpet that was installed in 2017. There is a central vacuum system throughout. The main salon features an expansive oval seating area to port accented with custom crafted burl cherry cabinetry, drawers and cupboards. The cherry wood entertainment center to starboard houses a Sony Trinitron TV, Sony RXDS stereo system and Sony VHS VCR.

The galley to starboard is very functional and can be open to the main salon or enclosed with a beautiful pocket door and sliding partition.

Aft Deck

The stern hydraulically lifts providing generous storage for a 12' inflatable tender or jet ski. The sole of the garage has built-in chocks and an electric winch mounted on the forward bulkhead that provides easy retrieval and launching.

The integral swim platform has built-in hardware for the swim ladder. The cockpit aft deck is covered with a large built-in sun pad (approx. 12' x 7') with the sun pad actually measuring 10' x 12'.

- Hard top retractable sunroof
- Smalvic grill
- U-Line icemaker
- Safety package
