Overview

JIMBO 74 was built to impress. She is a sexy, big, bold, comfortable and fast cruising yacht. **JIMBO 74** has a very powerful stance on the water. Her interior living space is incredibly comfortable allowing a party of 6 to travel in style. All three staterooms have their own private heads and entertainment centers. Crew space for 2 is also provided. I spent 10 glorious days on board **JIMBO 74** and can tell you from experience that she is very comfortable in a heavy sea, her rooster tail is impressive and we definitely could not sneak into a marina as all heads turned as we passed. A perfect addition to anyone's lifestyle whether family cruising or corporate entertaining.
