SPECIFICATIONS

Overview

Very nice aluminium cutter rigged sloop for going around the world. ANNKA 1 has an extensive equipment and she has been built on very standard of quality and craftsmanship by Garcia under a design of Berret-Racoupeau Yacht Design. She is a blue water cruiser as well as a go anywhere sailing yacht.

She has benefitted from the huge experience of her first owner, gained out of a first trip around the world on his first Garcia built sailing yacht. He then had ANNKA 1 built in 2009 and spent 8 years cruising from Europe to NZ via Cap Horn and the French Polynesia. In Auckland ANNKA 1 had a good refit before she was shipped on a cargo to Italy where her current owner bought her. He then took her to Portugal and upgraded her.
