## DETAILED INFORMATION

---

### RJ

---

RJ is a multi-award-winning motor yacht built by Arcadia. RJ's advanced solar panel technology, which generates more than 4kW of energy, and her reduced fuel consumption make her a highly desirable option for an owner seeking greener operations.

31.57m RJ has had just one owner since new and is offered for sale with very low engine hours. Immaculately maintained, this relatively new motor yacht received further enhancements and upgrades during an extensive yard period in 2019, which included a superstructure repaint, full interior lacquer, improvements to the air conditioning system and reconditioning of the teak decks.

The dynamic exterior design is an extremely successful partnership of progressive lines and state-of-the-art technology, with the solar panels cleverly disguised into the shape of the superstructure.

RJ's interior has been created by the Hot Lab studio and boasts many notable design features. There's a convertible sky lounge which, when opened to the stern, creates a comfortable and spacious lounge area of 65 sq.m, with a fantastic inside/outside dynamic. The many mirrored and high-gloss finishes give the yacht a bright and crisp impression, with an exaggerated feeling of space.

RJ has four guest suites; one master, two VIP and a double. All are luxuriously appointed with sumptuous carpets, plenty of storage and all are en suite.

From RJ's main saloon, two terraces extend on either side and retractable panels open up this space further with an influx of fresh air, natural light and an impressive unobstructed view.

The yacht has been a fore-runner in consolidating the latest technologies and innovative green solutions. The design implements seamlessly functional architecture and open spaces for surprisingly dynamic settings under different operating scenarios. The boundless, transformational spaces on the upper and main decks initiate a new horizon in yacht ownership.

RJ has a tender garage to aft and extending beyond this is a large swim platform with a raise-and-lower step for easy access to and from the water.

---

### Exclusions

---

Owner's personal belongings.

## Disclaimer

---
