#### 14. COMMENTS

The 34.5-metre 2013-built Pershing well-maintained planing yacht BELLAMOR offers stylish on-board living and a good top speed. She is a fine example from the reputable Italian yard.

Both exteriors and interiors are the work of revered yacht designer Fulvio De Simoni. There is good space for entertaining, while the minimal and modern décor throughout in soft tones of cream, grey and charcoal create a calming atmosphere.

Inside, there's a full-beam salon with dining for eight just below the helm station, plus plenty of comfy sofas facing a large TV screen, though for film nights guests may prefer to head to the private cinema forward on the main deck – an unusual feature for a yacht of this size.

There is built-in seating on the aft deck with a table for alfresco dining. There is also direct access from here to the swim platform for days when you'd like to take a sea dip, jump in the tender or try out one of the garage toys, which include a Yamaha SuperJet waverunner and a Seadoo RXP Jet Ski.

For lazier days, guests can head up to the flybridge where there is a bar and sun loungers, plus an additional helm.

BELLAMOR can accommodate eight guests across four cabins, including a master cabin, which comes with its own steam shower, a VIP suite and two twin cabins. Each cabin is fully equipped with an entertainment system and LCD TV screen and there is also room for up to five crew.

Powered by twin 3,742Hp MTU 16V 4000 M93L diesel engines, BELLAMOR has a maximum speed of 36 knots and a cruising speed of 34 knots.

Last winter the superstructure repaint was completed and she has been 60/70% completely repainted in the last 2 years.

#### ○ KEY FEATURES
