SPECIFICATIONS

Overview

*Not for sale to US residents while in US waters.

JACAL is a 2012 Sunseeker 48 Portofino that has been meticulously maintained by its current owner. The Sunseeker Portofino 48 has been designed and built with a remarkable interior plan which offers a full-beam owner's aft suite with huge windows to either side, a clever VIP suite in which the double bed cunningly swings apart to create twin single berths, and a central saloon at the heart of the accommodation. A mix of grain, bold lacquers and deep glass offers a modern stylish environment.

DETAILED INFORMATION

Overview

*Not for sale to US residents while in US waters. JACAL is a 2012 Sunseeker 48 Portofino that has been meticulously maintained by its current owner. The Sunseeker Portofino 48 has been designed and built with a remarkable interior plan which offers a full-beam owner's aft suite with huge windows to either side, a clever VIP suite in which the double bed cunningly swings apart to create twin single berths, and a central saloon at the heart of the accommodation. A mix of grain, bold lacquers and deep glass offers a modern stylish environment. The upper saloon has space and style in abundance. The helm is just as sophisticated and allows both pilot and passenger to admire the horizon in front of them. In the lower saloon, you'll find a full dining arrangement to entertain even the most discerning guests. Combining the performance and enjoyment of a day boat, with the grandeur and space for overnight stays and weekends away. The boat's profile is sleek with a long expanse of foredeck topped by cantilevering sunpads. The cockpit screen rises aft in a smooth and neatly engineered radius, behind which is a helm station with pilot seating, wet bar and full dining arrangement. If you are looking for a well-maintained Portofino 48', don't look any further and come to see JACAL! Boat is available for showing in Miami. Recent Upgrades • New teak in cockpit, swimming platform and sidewalk across to cockpit • Full hull waxing
