## Overview

---

The Bulldog is a very unique vessel. Big, open, stable, sturdy and simple, she is an easy to maintain rig that would serve many purposes. She offers a giant cockpit and deck with a huge sunshade top that extends halfway back from the cabin bulkhead. She is set up for recreational fishing and cruising but also would serve well as a commercial style boat. With a spacious cabin, 2 forward berths, a marine head, fridge, AC and TV she is set up to allow comfort at the dock, traveling or while out fishing. If you are after a neat looking boat that's economical, easy to fish and with the ability to live on at the dock or underway, check out this 40' Dorado. It's the only one of it's kind on the market!
