SPECIFICATIONS

Overview

“SEA LEGS” is an extremely well outfitted and maintained 38 Open. She is powered by 490hp Cummins QSC8.3’s that provide a mid 20kt cruise. The helm is lined with new Garmin electronics, stereo system, underwater lights, helm air, amongst many other features. This is easily the nicest 38 on the market. Don’t miss out on this one, call today to schedule your showing.

Tiara is one of the country’s premier builders of dual-purpose express boats, combining hardcore fishing capabilities with beautifully crafted interiors. Like all of Tiara’s Open models, the 3800 could be ordered as a tournament-ready fishing machine or equipped with the cruising amenities of a comfortable family express. A huge U-Shaped settee to starboard, opposite the galley, dominates her elegant single-stateroom interior. There’s a separate stall shower in the head, and the beautiful teak-and-holly cabin sole gives the interior of the 3800 a traditional feel found in few other boats. The cockpit, with about 70 square feet of space, can be ordered with an aft-facing jump seat or a complete tackle center. The entire helm deck lifts mechanically for easy access to the large engine room. Additional features include a hideaway TV in the salon, a cockpit wet bar, transom door and shower, side exhausts and wide side decks. Pop pockets reduce the shaft angles and draft. Cummins 490 hp diesels cruise the Tiara 3800 at 25-26 knots (about 30 knots top).
