Overview

2015 Chaparral 307 SSX Bowrider *Twin Mercruiser Power / Joystick*

The Chaparral 307 SSX is an offshore-capable bowrider with nifty styling and a versatile layout. The boat includes a long list of standard equipment including; VacuFlush head, Kevlar keel, SS pull-up cleats, Lenco trim tabs, etc.

A hallmark of the Chaparral 307 SSX is a flared bow that provides room for five adults up front. The port and starboard seats feature flip-up armrests and an enclosed head/change room with sink and opening port is concealed in the port console. The helm and companion seats are double-wide - both equipped with flip-up bolsters.

This Chaparral 307 SSX features a wet bar with sink, pull-out spigot, trash bin and removable cooler. The aft rumble seat converts to a sun lounge, and a power-activated ram lifts the aft seat/sun pad to reveal the engine compartment.

To complete the package this Chaparral 307 SSX is powered by twin MerCruiser 4.5L 250 HP engines with DTS and Joystick.

If you are in the market for an offshore capable family bowrider put this one at the top of your list.
