## Overview

---

### MOTIVATED SELLER

This unique Century 30 Express is teeming with seating and storage and features a tower, outriggers and a bow thruster. The hardtop is supported by anodize aluminum pipework, there is wrap-around helm seating and massive floor storage. The luxury cabin has a v-berth and a huge aft berth below the helm which, along with it's diesel generator and AC, makes for very comfortable overnighting. The nicely appointed galley has more storage than many larger express boats. The twin 300 Yamaha outboards will cruise at 32.5 mph while burning 21.7 gph with a top speed of 50 mph. With twin engines and the bow thruster dockside maneuvering is very easy.
