Beam: 17' 6" (5.33m)

Max Draft: 4' 5" (1.35m)

Speed, Capacities and Weight

Water Capacity: 260 Gallons

Holding Tank: 80 Gallons

Fuel Capacity: 1000 Gallons

Accommodations

Total Cabins: 3

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Caterpillar

Model: 3196

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Manufacturer Provided Description

The Ocean Alexander 548 Pilothouse answers the demands of the modern day yachtsman. The 548's 17-foot, 6-inch beam gives the hull enough volume to provide a walk in engine room, three large staterooms, and two spacious heads with showers. Above decks this craft offers a smartly laid out pilothouse with two side doors, a dinette that holds six, and a large open galley. Two steps aft, the oversized salon suggests a special family area. In addition, much enjoyment can be found on the full walkaround side decks and in the large cockpit. The full size bridge area easily accommodates a 15-foot shore boat as well as other sea-toy storage. In addition to its luxury, the 548's tunnel design hull makes it a very efficient performer.

Master Stateroom

- Full walk-around queen berth
- Cedar-lined hanging locker
- (2) Night stands with drawers
- Vanity with rotating stool, storage cabinets & drawers
- Full length mirror mounted behind master cabin door
- (2) Opening portlights
