SPECIFICATIONS

Overview

Built-in GRP to improve the sea capacity of the yacht, INTEGRITY 70 features a smart layout sleeping 8 guests in 4 cabins mixed with a spacious salon with an open galley. This brand new yacht is designed to offer privacy and social areas depending on the guests onboard. The flybridge is the perfect spot to have an al fresco dinner with a 360° view. The sun pads on the bow allow you to relax in comfort. Walking aft, the exterior seating is the place to have a coffee with guests. Get closer to the water by the large swimming platform which offers easy access to embark or disembark from a tender stress-free. Hull now painted in dark metallic grey, she is available for inspection in Dubai, UAE. Asking price 6,150,000 AED (United Arab Emirates Dirham) Price subject to exchange rates.

DETAILED INFORMATION

Overview

*Not available for sale to US residents while in US waters.

Technically accomplished and enthused by the ambition that embodies the United Arab Emirates, INTEGRITY'S internationally sourced designers and craftsman brings you a series of yachts that reflect the challenging and unique environment of their homeland. Yachts conceived with the same drive to exceed all expectations that has earned the country global recognition for visionary innovation and unbridled luxury. Dynamics-oriented design means better agility, more comfort, and most importantly more safety thanks to a great composure in tough seas and responsive handling that allows nimble and secure direction changes when it really matters. INTEGRITY'S sporting lines and perfect exterior proportions above the waterline and an uncompromising performance-first hull design make her an ideal vessel for any new owner. Asking price 6,150,000 AED (United Arab Emirates Dirham) Price subject to exchange rates.

Shipping to Genoa, Italy is estimated at €85,000.
