DETAILED INFORMATION

Walkthrough

Entering GRAND CRU II is easy from a floating dock onto the fixed swim platform. From a fixed dock the side decks offer easy boarding via grab rails.

The Cockpit has built in seating aft, easy steps to the Flybridge and side decks and a sliding entrance door to the Salon.

The Salon has port and starboard couches, a raised dinette to port and a full Galley two steps down to starboard.

The Centerline Companionway leads to three cabins forward. An over/under cabin is to starboard, a double to port and forward is the Master Cabin with a private Head. A second Guest Head is to port.

The Flybridge has a centerline helm with ample seating fore and aft, a wet bar and the area is fully airconditioned.

Engine Room access is from the Cockpit sole.

Salon

The Salon is entered on centerline through a sliding stainless steel trimmed door. Immediately to port is a large curved sectional settee with storage below. Above behind a wood trimmed plexiglass door is the yacht's electrical panel.

Two round ottomans lie in front of the settee.

To starboard upon entering is a two door storage cabinet with stereo gear cabinet above. The stereo gear consists of a Bose Lifestyle AM/FM/CD player with hard drive storage and a Direct TV box. Above is a 30" Vizio LED TV. Music is delivered through a five channel Bose speaker system and a hidden subwoofer.

Next forward is a two person sofa with storage below.

To both port and starboard are large house side windows with wood mini blinds and upholstered valances.

Next forward to port is a raised dinette area to seat three or four with an articulating table base for ease of entry.

There is storage below the Ultra Leather upholstered settee. Windows outboard have the same treatment at the salon. There are full drapes across the aft entry door.

Also in the Salon are several overhead halogen lights on an attractive ceiling detail. The sole is carpeted and the air conditioning controls are digital.

Galley

To starboard is the Galley. It is one step down and open to the Salon.

Features include: Wood sole
Avonite countertops
Under mount stainless steel sink w/cover
Trash chute w/cover
2 Burner Kenyon Ceran top cooktop
Panasonic stainless steel microwave
Sub Zero stainless steel under counter freezer
Sub Zero stainless steel under counter refrigerator
Cherry cabinet w/(4) drawers within (10) Cherry storage cabinets
House side window w/wood blinds
Stainless steel mini hood w/exhaust fan & lights over cooktop
Large hatch & locker in sole lead to a Splendide 2000 washer/dryer combo

Starboard Stateroom

The Starboard Stateroom has twin upper and lower bunks with two cherry cabinets outboard. Forward is a large triangular cherry storage locker, aft is a small cherry nightstand with storage below. Plenty of natural light enters through this stateroom's frosted skylight. Also in this stateroom is a cherry entrance door with a mirror inside, a carpeted sole, two reading lights, two overhead mini spots and a Fireboy carbon monoxide alarm.

Port Stateroom

Entered via private cherry door this stateroom has a full size berth with a mirrored and upholstered headboard. Natural light enters the cabin via a frosted skylight and two stainless (non opening) portholes outboard covered by cherry mini blinds. Forward is a pull down mirrored vanity followed by a large cherry hanging locker. Furthest forward is a mirrored cherry door to the Head. Also in this stateroom is a SMX digital AC control, two reading lights, two overhead mini spots, rope lighting, Zenith flatscreen TV/DVD combo, a carpeted sole and a Fireboy carbon monoxide alarm.

Guest Head

The Guest Head has two doors, one from the Port Stateroom, one from the Centerline Companionway.

The Head has a vanity with a cabinet below an Avonite countertop with an under mount stainless steel sink. Above are two mirrored medicine cabinet doors. The stall shower

has a curved round plexi enclosure and sidelight, an opening porthole, a handheld or wall mountable fixture, a seat and a light.

The toilet is a Dometic Vacuflush model. Also in the head are four overhead halogen lights, a storage cabinet above the toilet, an exhaust fan and a wood sole.

Master Cabin

All the way forward with a queen size island berth is the Master Cabin.

A mirrored section aboard the upholstered headboard is flanked by two scone type reading lights. Port and starboard shelves with deadlights and wood blinds are aft.

Further aft to port is an auto lit hanging locker. Opposite to starboard is a 19" Zenith LCD with a built in DVD player and a small hanging locker.

There are two drawers under the berth facing aft and carpeted steps to gain access to the berth. A hatch in the sole gives access to the bow thruster. Above the berth is an opening deck hatch with a sliding screen and sun cover. A Fireboy carbon monoxide alarm and digital AC controls are also located in this cabin.

Master Head

The Head is aft to starboard and has a vanity with a cabinet below an Avonite countertop with an under mount stainless steel sink. Above are two mirrored medicine cabinet doors. The stall shower has a curved round plexi enclosure and sidelight, an opening porthole, a handheld or wall mountable fixture, a seat and a light.

The toilet is a Dometic Vacuflush model. Also in the head are four overhead halogen lights, a storage cabinet above the toilet, an exhaust fan and a wood sole.

The following items were renewed during the current ownership:

Sea Ray systems monitor, replaced w/new Aug. 2017 Mercury Engine systems monitor, replaced w/new Aug. 2017 Fireboy 73# fire control system/Sea Fire engine shutdown override, new Aug. 2017 Titan water heater, new Aug. 2017 Air horn compressor, new Aug. 2017 Air conditioning compressor, replaced, Salon, new 2018 50 Amp white shore cord on Glendinning, replaced w/new Aug. 2019 (4) 8D batteries, replaced Dec. 2019 (2) Thruster batteries, replaced Dec. 2019 Battery disconnect, replaced Dec. 2019 Batter charger, replaced Dec. 2019 Engine starter, starboard, new replaced

Remarks

GRAND CRU II was purchased as a South Florida boat in August of 2017. She has seen only light usage since.

At the time of purchase she had her 1000 hour service completed. Just recently her blue hull was wet sanded, polished and waxed and shows like new!

The front side of her clear vinyl enclosure is undergoing replacement.

GRAND CRU II has been well cared for, is priced attractively and is seriously for sale.

Seller will consider smaller trades as partial payment to the 52 Sea Ray "Grand Cru II".

Exclusions

While every effort was made to list all pertinent included equipment aboard GRAND CRU II, there are some personal belongings aboard. Prospective purchasers should assume any item not specifically mentioned herein will not convey at closing.
