SPECIFICATIONS

Overview

The RSC Yachts 1900 sets a new standard for fast, easy, luxurious sailing. Kees van der Stadt's superyacht pedigree is evident throughout this seaworthy vessel that is ready to take you anywhere.

The efficient deck layout, flexible sail plan and aluminum hull will be appreciated by true sailing aficionados. And the modern handcrafted interior with wrap-around raised saloon window makes living aboard a true pleasure. The ultra high quality materials, equipment and workmanship are superyacht caliber and in stark contrast to those offered by production builders.

Now available for that one special yachtsman who desires to embrace a new level of raised saloon cruising and save over €100,000 compared with a new order.

Semi-custom yachts in this class are produced by Jeanneau, Beneteau, Dufour, CNB, Hanse, Oyster, Amel, Discovery, Swan, Solaris, Baltic, Contest, Advanced, Grand Soleil, Southerly and Moody.
