DETAILED INFORMATION

Introduction

"Solas" is a 2-cabin layout Hanse 385 that features a number of factory upgrades including an extended galley layout, Volvo sail drive with folding prop, electric primary winches with all running rigging leading aft to the upgraded GRP Steering Wheels (white) double helms for easy single-handing, a self-tacking headsail, and a spacious interior layout with upgraded American Cherry interior and striped marine floors. The Hanse 385 is a dream to sail and her spacious beam allows for a roomy interior with a gourmet galley and comfortable salon. The interior is light and airy with the upgraded Portofino cream leather seating, large Lewmar ports, and custom lighting system.

Overview

The Hanse 385 offers a wide range of comforts that make cruising a relaxing and enjoyable experience. Hanse takes its design quality a step above with thick cabinetry doors, plush upholstery, and ample natural light through large opening Lewmar ports and hatches. The interior design offers an attractive and functional space with a large salon and gourmet galley for entertaining, storage throughout the yacht, spacious double-berth cabins forward and aft, and a large modern head with plenty of elbowroom for showering.

- Large main salon with U-shaped settee to starboard that converts to double berth
- Portofino cream leather upholstery in the salon - Upgrade
- Upgraded XXL gourmet galley with additional storage
- Spacious v-berth; double with 4" cushions
- Large aft cabin; double with 4" cushions
- Smart lighting system with touch control pad for customized lighting
- (10) Opening Lewmar ports provide an abundant amount of ventilation and natural light
- (12) Overhead LED lights throughout and overhead accent lighting
- Classic stripe cabin flooring
- American cherry wood interior
- White bulkheads for a brighter interior
- Spacious head with vessel sink vanity and Jabsco manual head
- Ample storage throughout
- Access to deep cockpit locker from the galley
- Fusion stereo with handheld device USB dock
- Pop up Navigation station allows port settee to be divided in the middle
- Bar locker below large drop leaf table with added wine cellar below floorboards

Main Salon

The main salon features large ports for tons of natural light, spacious seating and cherry cabinetry, providing a warm and inviting place to rest and entertain. A large u-shaped settee to starboard can be converted into a double berth and a long settee to port offers additional seating. Comfortably seat the hungry crew around the centerline drop-leaf cherry table for a meal down below. The Portofino cream leather cushions are great for lounging while you sit back and listen to the fusion stereo located at the chart table on the port side of the salon. The smart lighting system touch control pad at the starboard settee allows for quick lighting options for the four overhead LED lights and two accent lights running forward along the cabin top. A large bar locker below the table and an added wine cellar rack below the salon floorboard offer additional storage.

- U-shaped starboard settee converts to double berth; 6'6" long
- A long port settee with pop up nav station
- Folding centerline table
- (5) Deep storage cabinets and (8) storage shelves
- American cherry cabinet
- (4) Overhead LED light
- Large Lewmar opening port at cabin top for ventilation
- (2) Long Lewmar side opening ports with an exterior overhead rim to protect from weather
- Bar cabinet in centerline table offers extra storage
- Wine cellar storage rack below salon floorboard
- Huge amounts of extra storage behind and below port and starboard settees
- (2) Personal reading lights
- (2) Accent light strips leading forward on the cabin top
- Long shelves for added storage above the port and starboard cabinetry
- Fusion stereo with salon speakers
- Battery storage and selector switches under the port settee

Galley

"Solas" features the optional extended galley layout that provides a ton of space for preparing a meal. Yachts in this range are typically designed without enough counter space. The Hanse 385 breaks that trend with over 9 feet of counter space! The galley also features a double stainless steel sink with mixing tap, top and side loading refrigeration and gimballed 2-burner propane stove with oven. Storage is provided by deep cabinets, shelves, and a designated foldout trash compartment.

- L-shaped gourmet galley; extended layout option
- Seashell White countertop, over 9 feet long
- Isotherm refrigeration, top, and side loading
- Two-burner propane stove/oven
- Deep above-counter storage cabinets
- Storage shelves

- Deep pot/pan storage compartment below the stove
- Added deep storage below aft fridge drawer
- Pullout drawers below the sink
- Opening ports and companionway hatch allow for tons of ventilation
- Overhead LED lights
- Designated fold-out trash bin cabinet
- Easy access to starboard deep cockpit storage locker

Owners Cabin

The forward cabin of the Hanse 385 features a large V-berth over 7ft long and 7ft wide, offering a large comfortable berth to lay back and relax. The two overhead Lewmar opening hatches allow a wonderful breeze to come through the cabin while on the hook. Personal seating is in front of a large hanging locker to starboard and another deep locker to port offers additional storage. The two overhead hatches and two fixed side ports make the forward cabin a bright and airy space. The berth is low enough for easy in-and-out access.

- Large V-berth (7'2"x7'x2') with 4 inch cushions
- Deep storage closet to port with shelves – double door
- Large hanging locker to starboard
- Personal seating to starboard
- (1) Personal reading lights and nightstands with top-loading storage
- (2) Storage shelves running forward
- 4" Cushions
- (2) Overhead LED lights
- (2) Large overhead Lewmar opening hatches
- (2) Lewmar side ports, fixed

Guest Cabin

This boat is a two-cabin layout. The second cabin is located aft of the head on the port side. The aft cabin offers a spacious double berth with plenty of privacy. The double berth is 6'10" long and has comfortable 4" cushions. There is plenty of storage with a deep hanging locker to port and a long storage shelf leading aft. Two opening Lewmar hatches, a fixed side port and an additional skylight from the cockpit provide natural light and ventilation.

- Double berth (6'10"x5') with 4" cushions
- (2) Personal reading lights
- (1) Overhead LED
- Deep hanging locker to port with storage shelf above
- (1) Storage shelf running aft
- Lewmar side port – fixed
- (2) Lewmar opening hatches

- Sunshades for all 3 ports
- Skylight to cockpit

Head

The spacious head offers plenty of room for showering and day-to-day use with storage and tons of ventilation and natural light. The American cherry vanity with a vessel sink is modern and practical with storage above and below the sink. Backlit shelves offer additional storage and the large opening side port stretches almost the entire length of the head providing natural light and ventilation.

- Jabsco electric flush head
- American cherry vanity with vessel sink
- Large vanity mirror on the door
- Deep storage below sink
- Vanity cabinet with (2) cabinets, (3) shelves
- (1) 120v outlet
- (2) Overhead LED lights
- Holding tank behind the head
- Adjustable height shower head
- Fiberglass floor
- (1) Large Lewmar opening side port

Hull and Deck

HULL

- White Isophtalic Gelcoat Hull
- L-shaped shoal draft keel
- Dark grey double waterlines
- Vinylester Laminate for Blister Protection
- Main bulkheads laminated to hull
- GRP strongback/grid system
- 4 hull portlights

DECK

- White Isophtalic Gelcoat Deck
- Vinylester 1st layer
- Bulk laminate Polyester (Orthophtalic or DCPD)
- Balsa sandwich
- Non-slip deck surface on coach roof

Cruising Package Plus Upgrades

- Teak Cockpit floor
- Helmsman's footrests

- Spring Cleats
- Electric Anchor Windlass with remote
- Anchor Ultra 16 stainless steel with Ultra Flip swivel (160' of 8 mm Stainless Steel Chain)
- Cockpit shower with hot and cold water

Sails and Rig

The Hanse 385 is designed for easy sailing and single-handing. "Solas" features in-mast furling, a self-tacking headsail and a rigging system that allows you to control all of the lines from the aft helms. The running rigging is actually recessed in the cockpit coamings leading aft to the upgraded electric primary winches. This makes for a clean look and practical sailing. Her optional roller furling main features a german mainsheet system that has a single line control at both helms. The upgraded sails package includes an Elvstrom FCL (fast cruising laminate) roller furling mainsail and self-tacking jib. The FCL material features carbon fiber strands sewn into the sail to provide extra strength and longevity while also being protected within the sail canvas from UV rays.

- 9/10 rig, double-spreader furling mast anodized aluminum
- Boom -anodized aluminum
- Furling system for the self-tacking jib
- Rod boom vang
- Stainless steel standing rigging
- Adjustable backstay with block and tackle
- Main and jib halyards lead aft along cockpit coaming
- Main and jib sheets also lead aft to coaming line stops
- Midboom sheeting with 2 stand-up blocks
- Upgraded - Elvstrom FCL (fast cruising laminate) Triradial sail package
- Elvstrom FCL roller furling mainsail
- Elvstrom FCL self-tacking jib with traveler forward

Mechanical

"Solas" features the standard 28hp Volvo D2-30 diesel sail drive with a folding prop. The sail drive allows for very easy handling when motoring. It is also much quieter than your average direct drive configuration. Because the shaft makes a 90-degree turn, the engine vibrations often heard with a direct drive engine are quieted exponentially. The engine panel, hour meter, and throttle are located at the starboard helm.

- Volvo Penta D2-30 27.3hp/20.1kw diesel sail drive
- 2-Blade folding prop
- Alfa throttle at engine panel in the cockpit
- Freshwater cooling and water strainer
- Fuel filter and water separator
- RPM gauge at engine panel
- Engine hour meter at panel in cockpit
- Engine room sound shield

Electrical

This Hanse 385 features the upgraded battery package and a battery charger. The electric panel is located at the chart table and can be easily serviced thanks to the quickly removable face panel. The 12v and USB outlets at the chart table are readily available for quick charging as well as 120V outlets throughout the yacht.

- 30amp battery charger/inverter – mounted below chart table
- (1) Engine battery – 90ah AGM
- (2) House battery – 165ah AGM
- Main battery switch below port settee
- 12v/120v electric panel at chart table
- 120v outlets in galley, salon and head
- Hot water heater
- 30amp shore power
