- Full Teak Package
- Custom Second Row Release Marine Seats
- Cabin and Helm A/C, Heat and Cool
- Custom Painted Hull
- Sure Shade
- Hardtop & Tower Light Package
- Autopilot

The flagship model from Everglades the 435CC is one of the most sought after 40+ center consoles on the market. The layout is both functional and luxurious at the same time, something that many of large center consoles have difficulty achieving. There is no need to sacrifice comfort on this center console. With her quad 425 HP Yamahas on the back you will not only be the most

With a 400-mile range at 40mph you have plenty of range to run out to some of the furthest fishing grounds our oceans have to offer. The second row of seating will keep you and 5 others dry and comfortable in the roughest conditions. Once you get to your fishing spot the Yamaha helm master system can keep you over a wreck in 300ft without having to drop anchor, extending the amount of time you and the crew have lines in the water. Add a full second station with outriggers and helm controls; the options are almost endless!

If you have little ones or just want a place to get some A/C the center console cabin has become very popular. This 435CC has A/C, fresh water shower, refrigerator, microwave and all the necessary items to stay the night on your center console! Technology has us going farther, faster and still being comfortable. Running off shore power or generator power you will always be comfortable on your new 435CC Everglades.

Exclusions

Owner's personal belongings.
