## VIP Stateroom

---

The VIP stateroom forward has a centerline berth with large drawers under the berth. All the cabinetry is satin finished teak. Each hull side is finished with overhead lockers with louvered teak doors and a cedar lined hanging locker. There is a flat screen TV that is mounted in a custom teak frame. This stateroom has a stereo volume control and berth reading lights. Two Mainship screened overhead hatches provide light and fresh air.

There is a full ensuite head with separate stall shower. The Lexan shower door is a beautiful curved shape, framed in solid teak to make the best use of this space. Both the head and the shower have exhaust fans vented outside the vessel and pulls the air from inside the shower for greater humidity reduction. The sink is an undermounted china bowl on a Cream Marfil granite top finished with teak fiddles.

## Flybridge and Boat Deck

---

This flybridge is an excellent place for cruising and entertaining many guests with two Stidd helm chairs, a spacious seating area to Starboard and an AMAZING teak topped bar to port. A full set of Caterpillar electronic controls is immediately forward of the large stainless steel wheel. The console also has displays for wind velocity and direction, water depth, and boat speed. The VHF and yachts intercom phone are within easy reach. The flybridge is protected by

a full fiberglass hardtop that has been fully extended with a custom canvas shade. The flybridge is accessible by stairs from inside the pilothouse and outside from the aft cockpit. There is ample room for comfortable seating, dining and entertaining at the bar. There is a sink, refrigerator with icemaker, and plenty of storage as well as double Gaggenau electric grills.
