SPECIFICATIONS

Overview

This Stamas 290 Tarpon with an upgraded engine package is turn-key. It represents the brand as a comfortable, stable, seaworthy center console with the performance to match. It will flat out run!

The Tarpon 290 was designed to be a battle-wagon fishing vessel for the serious sportsman, but it offers much more. The large functional cockpit design is well suited for diving and makes it an ideal family cruising boat. You'll have no trouble packing on gear or people for whatever your day may hold.
