# DETAILED INFORMATION

---

## Manufacturer's Provided Description

---

With its beautiful styling and advanced engineering, the Carver 53 Voyager represents the perfect blending of art and science - the meticulous attention of traditional craftsmanship combined with the latest innovative technologies. What's especially attractive about the 53 is that owners can choose from three different galley plans to suit their individual lifestyles: more countertop area, extra cabinets, or additional entertainment space. Also included is a three burner stove with oven, built-in convection microwave oven, refrigerator with separate freezer, and solid-surface countertops. Topside, there's fun and comfort for everyone aboard. The flybridge offers a large dinette / lounge, seating for eight and a wet bar, plus aft deck storage for a dinghy. A large sliding door leads from the cockpit to the luxurious cabin where frameless windows enhance light and visibility. With the magnificent pilothouse owners can cruise in all kinds of conditions with their guests by their side. A companionway and door leads from pilothouse to bridge and there's a starboard side deck access door.

## Description

---

Valkyrie is a fine example of the best boats Carver ever built. The skylounge layout is a fine use of space. She was custom ordered by the original owner. This order was completed with personal factory visits. Major features include: hardtop, solid granite counter tops and floors, Marquis interior wood finishes, and Nautical Structures Dinghy Lift.
