DETAILED INFORMATION

Boat Highlights

She was one of the last 510 Sea Ray Sundancer's produced and we think one of the best! Her contemporary French walnut interior is in fantastic condition! Her easy to maintain white hull and deckhouse shine! She is powered by twin **V-Drive with shafts and props** (not Zeus "pods") Cummins QSC 600's that are covered by the Cummins Marine Recreation Encompass protection plan/extended warranty through April 27, 2024 or 3000 hours.

If you have not had the opportunity to experience the 510 in person, we think you will be quite pleased with room and openness that Sea Ray was able to curate by incorporating a large electrically actuated sliding sunroof (with built-in interior shades), oversized deckhouse windows, and the open galley/salon atrium. These well-thought-out spaces are drenched with natural light.

She has numerous upgrades such as hydraulic swim platform, Yacht Controller (wireless remote engine and thruster control), spare props, underwater lights, teak cockpit, electric cockpit grill, Fusion Stereo with JL speakers (in lieu of the standard Kicker stereo system from Sea Ray), stainless steel anchor, bow and stern thrusters, Auto Tracking Sat TV, cockpit electric retractable sunshade, sunroof shades, cabin entertainment system, French walnut wood blinds, high gloss wood table with storage (lower salon), and much more! This vessel should be at the top of your list if you are in the market for a 50' +/- Express Cruiser.

She is outfitted with easy to use twin Raymarine GS-125 touchscreen multifunction displays with AIS and back up camera, a Raymarine P70 autopilot, and a Raymarine Radar, that can take you and those you hold dear to almost any destination the adventure seeker within you desires!

She is being sold with the balance of the following warranties:

- Cummins Recreational Marine Encompass Protection good through April 27, 2024 or 3000 hours.
- Onan Generator extended coverage good through April 27, 2023 or 5,000 hours.
- Sea Ray Sentin3l 3-year factory warranty good through April 28, 2021.
- Sea Ray 10-yr Limited Structural Warranty good through April 28, 2028.

Note: Buyer/Buyer's representatives to be responsible for verifying transferability of balance of above warranties and any applicable fees incurred to do so.

She spent the summer of 2018 on a freshwater lake in KY where she was kept in a covered slip. A proper bottom job was installed in April of 2019 and we believe that all of her engine services are up to date. Her most recent oil service was completed in

January of 2020.

SALUTI features include (but are not limited to):

- Twin **V-Drive with shafts and props** (not Zeus “pods”) Cummins QSC 600’s
- Onan 11.5kW generator
- Hydraulic swim platform
- Yacht Controller (wireless remote engine and thruster control)
- Teak cockpit
- Fusion Stereo with JL speakers(in lieu of Kicker system installed from Sea Ray)
- Bow Speakers
- Bow and stern thrusters
- DSS Sat TV
- Cockpit electric retractable sunshade
- Sunroof shades
- Sure shade
- Cabin entertainment system
- French walnut blinds
- Interior carpet runners
- High-gloss wood table with storage
- Macerator with seacock interlock system
- Windshield with opening side windows
- Canvas, mesh windshield shades
- Manual hardtop vent
- Canvas aft curtain with bungee cords
- Sunpad
- Underwater transom lighting Spare props with holders
- Raymarine ST-70 depthsounder
- (2) Raymarine GS125 displays (chart plotter, radar displays, and engine instruments) with AIS and back up camera
- Raymarine Radar
- Raymarine Autopilot P70
- Raymarine Ray-240 VHF radio
- Mercury engine data display (VesselView 4)
- Cockpit grill
- Two-burner glass cook top

...and a much more!!!

She receives constant care and attention including but not limited to her monthly service dive, monthly systems check, and weekly wash.

She is currently available for inspection in Naples, FL! Give us a call, we love to discuss GREAT boats!

Vessel Walkthrough

As you step aboard the 510 Sundancer, you will immediately notice her hydraulic swim platform with chocks for a tender. The transom provides ample storage via three storage locker doors. Two steps up from the swim platform on the STBD side of the boat is a transom door to access the teak cockpit. Forward of the transom door are two molded steps to the side deck leading to the forward deck. Forward of these steps is the cockpit grill with ice maker below. To port is a large wrap around seating area with an adjustable table adjacent to it. Moving forward is the full sliding glass doors leading to the enclosed upper salon/sunroom/helm area. Immediately to port is the L-shaped sofa with an expandable table adjacent to it. To STBD is the wet bar with refrigerator, stainless-steel sink with cover, and under counter storage with a flat screen TV mounted just above it. Forward the wet bar is the helm station complete with double-wide pivoting helm chair with flip-up thigh-rise bolsters and teak footrests, electronics such as the dual Raymarine GS125, Raymarine autopilot P70, Raymarine Ray-240 VHF, Raymarine ST-70, Mercury engine data display (VesselView 4), and Yacht Controller (wireless remote engine and thruster control) to name a few. Large windows surround the sunroom and helm area. Overhead is a powered opening sunroof that allows an enormous amount of natural light to fill this area. The entire area has wood style flooring. The forward portion of this upper salon/sunroom offers a very nice overhead view of the lower salon via the massive atrium designed by Sea Ray. Moving forward to port of the helm are steps down to the lower salon. Once in the lower salon area to STBD is a large inverted L-shaped pullout sofa with a table adjacent and storage lockers above the sofa. Aft is a large mirror. The L-shaped galley is found in the port side of this room. It offers a full complement of appliances, complete with solid-surface countertop with stainless-steel sink with cover, faucet, microwave oven, 2-burner stove, refrigerator and separate freezer, drawers, and upper and lower storage. Moving forward to port is the entertainment center complete with flat screen TV. Just forward the entertainment center is the guest head fitted with VacuFlush head, shower with seat, and adjustable shower wand, mirrored medicine cabinet, vanity with solid-surface countertop, sink, faucet, and storage below. All of the way forward is the forward/guest stateroom that features a double island style bed with drawer storage below, hanging lockers with lights & shelves, flat TV, and a hatch overhead. This room has also a private access to the guest head. Access to the master stateroom is gained via a private door just aft of the galley. This stateroom is fitted with double berth with storage below, storage on each side of the berth, wall accent mirror, and flat screen TV with DVD player. The private head is complete with full length mirror privacy door, VacuFlush, shower, mirrored medicine cabinet, vanity with solid-surface countertop, sink, faucet, and storage below. The washer and dryer combo unit is also located in this stateroom. The forward deck has stainless steel handrails for safety. The deck features sun pads with back rest while to full forward is the windlass with anchor.

Exclusions

Owner's personal belongings.
