## Overview

---

This vessel is a true Time Capsule with only 12 hours!! Always kept indoors (High-n-Dry warehouse), brought out for the sale. Always maintained with no expense spared, this vessel shows in pristine condition, powered by the Optional twin 4.5L 250hp Mercruisers (fuel sipping), attached to Bravo III Duo-Prop outdrives for outstanding pivoting and docking.

Cruise is a modest 28 miles per hour with the vessel reaching into the 40's at top speed. Original owner purchased new, but has had no time to use the vessel. If quality is what you expect in a vessel, Crownline delivers. All Stainless Steel through-hull fittings, no plastic here, rear synthetic teak decking looks like new! All vinyl in pristine condition. Want to buy a virtually new Crownline 294 CR for half the price, this is your vessel!! Custom matching triple axle trailer is also included!! The Crownline 294 CR rides and looks like a dream. There is no better way to enjoy the day beached or on the hook, then spend the night on the water in the luxurious, fully appointed cabin.

Some of her features include: aluminum Marquis arch, auto fire extinguishing system, cockpit dock cover, full camper canvas, snap-in Driftwood woven mat in the cockpit, DTS (Digital Throttle and Shift Control for twin engines), depth sounder, dockside water receptacle with pressurized hot/cold water system, dual battery switch, electric cockpit grill, electric lift engine hatch, foredeck sunpad, generator, keychain remote control for courtesy lights, LED lights in cockpit and on arch, Mercury Vessel View 4, Raymarine Axiom 9 - 9" touchscreen, MFD with engine information screen and depth sonar, Shore power with twin 30amp service, Upgraded marine stereo with six speakers (4 Wet Sounds in cockpit, 2 standard in cabin)-dual zone control, portable cockpit table with designated storage, trim tabs with indicators, underwater transom lighting and windlass with rope and chain. The galley features richly toned cabinetry, custom countertop, ceramic top electric stove, stainless steel sink, refrigerator and microwave. The head includes a shower, sink, vanity, and porcelain head with electric flush and pump out. These photos don't lie.
