# DETAILED INFORMATION

---

## OVERVIEW

---

We are proud to exclusively present the new build 262' (80m) Galileo 80 for sale. This head turning design is one of three Admiral new build projects newly listed for sale with us. This striking five-deck steel hull superyacht is an impressive feat of design, combining a sleek profile with expansive spaces and luxurious on water living. She represents the pinnacle of Admiral and the Italian Sea Group's extensive design and construction expertise and is an unmissable opportunity to commit to a stand-out custom build. Able to welcome up to 14 guests in spacious en suite cabins, accommodation includes the 'owners loft' with a split level space and private sun deck and Jacuzzi. A modern and stylish interior is the work of the Admiral design team, with plenty of options for customization if desired. Numerous guest spaces include the main salon, upper salon and infinity lounge, with a zen and light-filled vibe throughout. Outdoor spaces include a huge beach club with a modern gym, for an on water work out, and direct access to the sea via the retractable swim platform. A large foredeck serves as a helipad while easily converting into a huge party space for entertaining. Inviting Jacuzzis are complemented by the huge pool on the main deck. Guests can take their pick from multiple dining spaces, seating areas and private spaces to retreat to. Impressive performance credentials include efficient propulsion, a range of 6000nm at cruising speed and top speeds of 16 knots. She is powered by twin CATT 3516B engines, complimented by zero speed stabilizers for maximum comfort. This impressive new build design offers space, style and luxurious comfort. Ready to begin construction, she could be delivered to her new owner by 2023!
