## Overview

---

GENEROUS PRICE REDUCTION TO \$65,000

This is an unique Whitby 42 with a lot of recent upgrades. She was design by Ted Brewer and was arguably the most commercially successful design of his. The strength of the Whitby 42 clearly lies in her accommodations with good-sized staterooms

forward and aft, with two separate bathrooms and a big living room with a "U" shaped galley with a lot of storage. She has a comfortable navigation station with all the communication equipment at your fingers. Along the passageway aft you can find a workbench and the electrical panel on starboard, and on portside the engine room. This Whitby 42 has received a lot of love and maintenance, and will be a perfect match for someone looking for a live abroad boat with a lot of soul. She has been on the hard the last 6 months during the hurricane season, and will be ready for a sea trial 12-17th of March with new bottom paint! Best offer gets her before the end of March!

## Basic Information

---
