## Overview

---

PRINCESS LONA is a 34m yacht for sale from the Tecnomar shipyard. She was built in 2006 and refitted in 2019, now looking like new.

The Tecnomar Nadara 35m was designed to make the most of usable space on board. There is a generous flybridge offering large dining, Jacuzzi, free-standing sun beds as well as bar with fridge and icemaker. Forward, the space has been redesigned now with two intimate tables and a huge sunpad. Inside, there are five staterooms and a TV room which converts into an additional cabin to sleep 12. There are also two pullman beds allowing flexibility in berthing arrangements for different groups of guests.

PRINCESS LONA was refitted extensively and relaunched in 2019. This work included completely new interiors, new soft furnishings throughout, new galley equipment and updated entertainment facilities. Furthermore a new Jacuzzi was installed on the flybridge, as was updated hardware on the helm; through hull fittings were replaced and she was repainted entirely. All major technical systems were overhauled and her low hour engines received all regular servicing.

This 35m, 115 foot yacht for sale presents in as-new condition. Viewing is recommended, or the Captain can facilitate a video tour / viewing.
