SPECIFICATIONS

Overview

360 GF PowerCat Designed with tournament fishing as well as family and friends in mind.

The 360 GF PowerCat is our largest boat model with the most freeboard and broadest beam. Yet, with its PowerCat dual-hull efficiency, this top-of-the-line boat is extremely quick and responsive. We've configured the 360 GF as an ideal trailerable open tournament fishing boat that also has plenty of comfort, amenities and dockside appeal for entertaining family and friends.
