SPECIFICATIONS

Overview

IN STOCK! Available at Demo Pricing! Custom Polished Aluminum Float-On Trailer Buy Now, Pick up for the season.

260 SE PowerCat Added Comfort for the Sportsman Who Also Entertains.

With its solid, hand-laminated dual-hull construction, the Twin Vee 260 SE PowerCat delivers stability and wave handling that outperforms larger watercraft, especially on open seas. Twin Vee's unique foam-filled, self-bailing power catamaran design is safe, versatile and easy to operate.

Better still, you no longer have to choose between size and affordability. The 260 SE PowerCat, with its wide beam, has ample deck space for serious angling or for the whole family to enjoy all day on the water, yet it is affordably priced and cost-efficient to run.
