Fuel Type: Diesel

DETAILED INFORMATION

Tommy Bahama Interior

Walking dockside by this sleek beautiful motor yacht, one would assume this vessel is almost new. The reflective waxed hull, polished stainless steel rails, and the new upholstery truly make this girl stand out from other vessels her age. It is obvious this yacht has been maintained with an open checkbook policy.

The vessel is easily boarded by the wide cockpit gunwales. From the water the large swim platform has built-in swim ladder and a transom door ushers you into the spacious cockpit. Some aft deck features include a long aft bench seat, built-in stereo speakers, storage lockers, and a molded in staircase to the fly bridge. The air conditioned flybridge is truly a safe haven from the elements. The four sided wrap around clear enclosure allows the captain and crew a 360 view of their voyage. Some highlights include a full complement of Garmin electronics and MAN engine instrumentation, making the little ship a pleasure to command. Also included on the bridge is a full wet bar with fridge, ice maker, forward lounge with seating for six, two captains helm chairs and a long aft bench seat.

Nonskid exterior sole along the convenient side-deck hand rails allow passengers safe passage to the forward deck, The forward deck includes a large sun pad, cup holders, two large stereo speakers, and a Lowfrans windlass to make anchoring a breeze.

A large gleaming stainless steel trimmed door in the forward cockpit ushers you into the magnificent salon. Port & Starboard leather settees with two circular ottomans make lounging a pleasure. Salon highlights include overhead recessed lighting, berber carpet sole, Bose surround sound stereo and a new 36" Samsung flat screen TV. Moving forward one step up is the galley to starboard and dinette to port. The galley has Corian counter tops, stainless steel sink, across to port there is a raised area allowing for a visual ding experience with the large wrap around windshield.

Five steps down from the midship galley is the forward companionway. All the way forward is the VIP stateroom with Island queen berth. Separate doors allow the VIP private access to the forward head and shower. The VIP also boasts wood cabinet accents, reading lights, air conditioning control and TV/DVD player.

From the VIP going aft are separate doors to the head in the companionway. There is also a separate cabinet with a washer and dryer. Midship is the second guest stateroom. This stateroom has over/under single berths. This cabin also has storage lockers, reading lights, porthole, and TV/DVD player.

The master stateroom is located aft of the companionway. There is an Island Queen berth to starboard. Mirrored walls, wood grain cabinets, accent lighting and plush berber carpet give this living space a warm and cozy feeling. There is a private entrance

into the head area with separate shower stall. The master stateroom also features separate air conditioning, new Samsung flat screen TV and abundant storage.
