Advertisements, marketing materials, and/or other photography may depict the vessel with personal property, however, such personal property is excluded unless otherwise specifically included as provided herein.

## Walkthrough

---

The striking blue hull on this 39' Tiara Coupe is sure to catch your eye! As you board the large swim step, you'll be greeted by a Kenyon grill, perfect for entertaining on a warm summer day. Ample storage space for fenders, lines, and equipment located on the transom can be controlled from the aft cockpit. Moving forward and up two steps to the aft cockpit is a forward facing lounge with teak hi-lo table. Additional seating is located to port and starboard. The exterior JL Audio system, insulated cooler storage, and electric sunshade makes BLUTOPIA ideal for entertaining.

Entering the salon through the large sliding doors, you'll find a comfortable seating area on the port side. To starboard is the galley complete with a two-burner cooktop, microwave/convention oven, and Isotherm drawer refrigerator and freezer. A 28" Samsung LCD TV and Blu-Ray DVD player easily slides out in the salon.

The helm located to starboard is extra wide and can be adjusted electronically. Equipped with two Garmin 7612 12" displays, you will be ready to cruise anywhere your heart desires. The Volvo Penta joystick allows for effortless docking. Above the helm station is a sunroof that can easily be opened, creating a beautiful indoor/outdoor space.

As you move below deck the large atrium makes BLUTOPIA feel like a much larger boat. Forward is the master stateroom with a queen-sized pedestal berth. To starboard of the atrium is a large head with standing shower stall. The aft stateroom features a full-size berth and portside settee that can be used as an additional sleeping area. There is plenty of storage space onboard for extended cruising or keeping extra equipment. The pristine condition of BLUTOPIA is sure to impress.
