SPECIFICATIONS

Overview

INVISION completed an extensive refit in 2019 including updates to the interior, exterior, and mechanical services/updates. New audio/visual equipment, Marshall Islands commercial class inspection, and air conditioning systems were the start of the project. The full-beam (28') on-deck master stateroom features a king-size bed with his/her ensuite, shower, and an oversized tub. All four guest suites (three queen and one twin) are equally well-appointed. The main salon is bright and airy with 7' headroom and an abundance of natural light. The formal dining area seats ten guests and the port side marble bar is the perfect setting for afternoon cocktails. Large glass doors aft open to an alfresco dining area on the aft deck. The skylounge above is an inviting social area for entertaining and opens aft to the bridge deck with covered seating. The expansive sundeck includes a Jacuzzi, dining area, and large sunpads. Zero Speed/at rest stabilizers give the feeling of tranquility in all conditions. All offers encouraged!!

INVISION was originally built as NORWEGIAN QUEEN at the Trident Shipyard in Tampa, Florida and became NORTHERN LIGHTS under her second ownership. At 422 gross tons she boasts enormous volume. She has been well maintained by her current owners and is in excellent condition.

DETAILED INFORMATION

Overview

INVISION has a modern interior with recent updates to artwork, exterior cushions, soft goods and updated AV equipment throughout. The full-beam on-deck master suite features a king-size bed facing aft with his/her ensuite with shower and separate oversized tub. All four ensuite guest staterooms below are equally well-appointed. The main salon has broad windows allowing an abundance of light and is quietly divided by an entertainment center from the open dining area which accommodates up to ten guests at an expansive glass table. The inside marble bar is the perfect setting for afternoon cocktails with large doors opening aft to an alfresco dining area. The skylounge above is an inviting social area for entertaining. Exiting aft of the skylounge opens to the bridge deck with covered seating. The expansive sundeck includes a Jacuzzi, dining area and large sunpads.

Main Salon

Large windows accent the spacious full beam main salon. At night, soft lighting is created by domed and recessed lighting. Formal dining is provided for ten guests in the main dining area. The salon's full-service sit-down bar, which grants sprawling ocean views through large windows, is perfect for an after-dinner nightcap. A spiral staircase at the forward end of the salon complements the modern design style and craftsmanship of the salon's furnishings.

Accommodations

Accommodation for ten guests in five staterooms consisting of a full-beam master suite on the main deck with three queen staterooms and one twin stateroom below deck. All guest rooms have recently upgraded the entertainment systems in each room with satellite TV, on-demand Kaleidescape central movie system and audio server. All staterooms include ensuite facilities.

Master Stateroom

Designed to achieve the pinnacle of comfort and luxury, this full-beam master suite surpasses its lofty goal. An adjoining spa provides relaxation. Spacious his and her baths bestow the convenience and indulgence expected on a yacht of this caliber. Twin closets provide generous storage for wardrobe and travel items. Relaxing in the master stateroom is made simple with its plush couch and full-featured entertainment center and flat-screen television.

Guest Staterooms

INVISION — WESTSHIP Page 9 of 24

The fully appointed ensuite staterooms include a cutting-edge entertainment center and plenty of closet space.

Galley / Dinette

Professionally styled galley with stainless steel finishes and granite countertops. Top features include a 5-burner professional cook-top, double oven, oversized-side by side refrigerator/freezer, large double sink, a dedicated wine cooler, great working counter areas and a lot of cabinet storage space. In addition, there is a full-service counter with sink and storage areas adjacent to the dining room doorway to stage for proper dining service. The raised breakfast nook is wonderful for informal dining with a great view of the chef's working area.

Skylounge

Comfort makes the skylounge a popular piece of real estate on this ship. The sit-down bar provides a convenient meeting spot while the ultra-comfortable couch and harmonizing chairs provide a plush alternative. A skylight ceiling adds to the ambiance while a hidden flat-screen television can be made to instantly appear and entertain.

Aft / Flybridge

There is a full complement of amenities found on the aft deck and flybridge. Al fresco dining on the open breeze for up to ten guests is always popular on the aft deck. During the day its sit-down bar will be the most visited spot for thirsty sunbathers. Dual stairs conveniently lead down to the cockpit where water activities rule the day. The flybridge provides maximum entertainment with its six-person Jacuzzi, full bar and sunbathing accommodations. The unparalleled ocean views from the flybridge make this deck a destination for sightseers.

Pilothouse

Designed for maximum cruising safety and comfort in all weather conditions, this pilothouse is envied by all sea captains. Communication and navigation are conducted using the latest equipment technology that functions in all worldwide locales. A raised observation settee is integrated on the rear of the pilothouse to provide comfort to guests and functions as impromptu office space.

Communication and Navigation Equipment

Communication Systems

INVISION — WESTSHIP Page 10 of 24

- V-Sat
- Mini-M satellite communications system
- VOIP x 4 Lines
