SPECIFICATIONS

Overview

Unique possibility to purchase turnkey superyacht Ordisi after comprehensive refit.

The 125-foot trideck Rodriguez superyacht Ordisi is currently undergoing an extensive refit and is due for redelivery in June 2021. The works include a full hull and superstructure repaint by renowned superyacht painters with a new exterior color scheme by yacht design consultant Carl Esch. A fast-acting buyer would have the rare opportunity of being able to specify the exact colors to be used, making Ordisi a unique proposition.

Refit works so far also include a revision and overhaul of all teak decks, service of engines, gensets, cathodic protection and onboard equipment and a new tank monitoring system. The yacht has also just passed the hull and corrosion survey and completed the 5-year RINA inspection. A date of 15th June 2021 is currently estimated for a turn-key re-delivery.

Also new since 2018 include new zero speed stabilizers, interior furniture and upholstery, exterior upholstery, retractable sunshades, extensive updates to bridge and navigation equipment, new AC chillers, new ULTRA FOG system and new SAT tv system, as well as the payment of Spanish Luxury Tax (VAT previously paid).

Ordisi is a much-loved superyacht with above-average interior volumes and wonderful exterior deck spaces. Five double cabins make her perfect for families and groups of friends and provide flexibility for charter activities if desired.

Broker Comments

ORDISI presents in beautiful condition with an elegant and sophisticated style. Once onboard you would easily be fooled into thinking she is 50m+. Her wonderful layout allows for privacy in many areas. Family-owned and since purchasing they have invested in upgrades, including Zero Speed stabilization, new soft furnishings, new navigational aids, all mechanical servicing and AC chillers being replaced. VAT paid and Spanish Luxury Tax of 12% has been paid allowing the possibility to charter in Spanish waters.

Exclusions

Owner's personal belongings.
