SPECIFICATIONS

Overview

Viking 48 Convertible created a huge, 144-square-foot fishing cockpit—still the largest to be found in a flybridge boat this size. Viking 48 has a solid front windshield and a much-improved engine room. Like all Viking models, she's heavily built on a low-deadrise modified-V hull with a wide beam, a shallow keel, and balsa-cored hullsides. The 48's massive cockpit is fitted with two in-deck fish boxes, a tackle center, and a transom door. The flybridge has seating for eight. Additional features include wide side decks, a molded pulpit, and a spacious engine room. A stiff ride in a chop, the Viking 48 will cruise at 23–24 knots with 550hp Detroit 6V92s (about 26 knots top).

- Twin Johnson And Towers 8v92TIB 750HP Each
- Complete overhaul of both transmissions
- Kohler 16K
- Water Maker
- Refurbished electric fresh water heads
- Ice Maker
