Overview

**On Display at TrawlerFest March 5, 6 and 7 Hutchinson Island Marriott Beach Resort
Marina 555 NE Ocean Blvd, Stuart, FL 34996 Slips 44, 46, 48**

Dealer Trade (Your Trade Welcome) 2018 Greenline 40 Hybrid* (Sea Horse) Twin Volvo Diesel (Warranty until 11/2022) - Shaft Recent Bottom Paint/Zincs/Cutlass Bearings Significant Upgrades - Loaded with Options* This Greenline 40 is not equipped with the Optional Hybrid Electric Motor Drive System

The Greenline 40 Hybrid puts a new spin on modern cruising boats whether at sea or dockside at your favorite marina. With Greenline it's all about efficient and affordable cruising on a vessel that offers excellent visibility, ambient light, ample ventilation in all areas together with two staterooms, an on deck galley and much much more.

Go to the Greenline manufacturers website to learn about Greenline Yachts - their history, concept and vessel details.

Sea Horse is a good example of a clean pre-owned Greenline 40 with features that include upgraded Volvo Penta D3-220 HP diesel engines for an extended cruising range and higher speeds when desired. The Greenline 40 semi-displacement hull is easily driven and offers a comfortable and stable ride. The Greenline 40 hull is both relatively light weight and strong, a combination that further increases energy efficiency and performance.

Through the immeasurable effort in engineering expertise, time and money invested during the development phase of the Greenline Hybrid, this state-of-the-art product offers performance, reliability and user friendliness at incredible value for money.

Twin sacrificial stabilizer fins are a further advantage of the Greenline hull, and have three functions: they deliver roll stability, tracking stability, and protect the drive and rudder. If the stabilizers get damaged, the structure of the boat will not be affected. These fins can be quickly and inexpensively replaced.

Sea Horse is dealer owned (previous owner traded up to a 52' motor yacht). If you are considering extended cruising in the Bahamas, coastal cruising or the world famous "Great Loop" put *Sea Horse* at the top of your shopping list. Your trade is welcome.

Note: This 2018 Greenline 40 is diesel (shaft) drive only. *Sea Horse* is not equipped the optional Hybrid Electric Motor Drive System.

Basic Information

Category: Trawler

Model Year: 2018

Year Built: 2017
