SPECIFICATIONS

Overview

The Chris-Craft Constellation has had recent improvements by its current owner including new carpeting and main cabin bedding. The owner is a competent diesel mechanic who has recently gone over the vessels engines and ensured that they are in excellent operating condition. The refresh on this vessel has put her in very good condition and will make an excellent long range cruiser or live aboard.

DETAILED INFORMATION

MAIN DESCRIPTION

The Chris-Craft Constellation has had recent improvements by its current owner including new carpeting and main cabin bedding. The owner is a competent diesel mechanic who has recently gone over the vessels engines and ensured that they are in excellent operating condition. The refresh on this vessel has put her in very good condition and will make an excellent long range cruiser or live aboard.

WALKTHROUGH

Stepping onto the swim platform, an exterior ladder accesses the transom door onto a narrow aft deck. From the exterior aft deck an exterior door on the starboard side of the exterior aft deck leads to the open and spacious enclosed aft deck entertaining area which has ample seating all around and a cabinet with enclosed tv. Moving forward an interior helm is located amidships which provides a wide view in all directions. An interior ladder accesses the flybridge which has seating for entertaining guests and a large helm. A collapsible electronics arch is located over the flybridge. From the interior helm access to the fore deck is located port and starboard via teak doors. A companionway leading down to the living spaces is located to port of the interior helm. A large spacious salon is located amidships below, moving forward the galley down is located to starboard. Forward is a berth area converted to an office, a head, a berth with double single berths and a head located in the forecabin. Moving aft from the salon, a spacious main aft cabin with a large center island bed, cabinetry and storage abound and an en suite master head located to starboard. Interior is well illuminated by many portholes. The engine room is easily accessed by multiple hatches through the carpeted salon floor.

CO-BROKERAGE

At Curtis Stokes & Assoc. all of our listings are available for co-brokerage on a 50-50 commission split agreement when the selling broker shows the listing and attends the survey. If the selling broker requires a courtesy showing and we are available to conduct a courtesy showing on our listing, the co-brokerage commission split is 60% listing commission and 40% selling commission. If the selling broker does not attend the survey, the co-brokerage commission split is 70% listing commission and 30% selling commission.

Description

The Chris-Craft Constellation 500 has a huge open layout with room for plenty of guests and entertaining. The enclosed aft deck combined with the interior bridge provides a 360 degree view, an area for interacting with guests while piloting and easy access to the exterior of the boat and living quarters. The flybridge, accessed by an interior ladder, also has ample space for guests and a large helm area. The living quarters below are also expansive. Powered by reliable Detroit diesels, low hours and well maintained, ready for enjoyment for years to come. A refresh of the interior carpeting and seating along with updated electronics package and Irish Wake would make a fantastic liveaboard or long range cruiser.
