SPECIFICATIONS

Overview

The SL106 sports the unmistakable Sanlorenzo style, matching elegance, balancing spaces, a well-balanced ratio of empty to occupied spaces and an extraordinary number of innovations while maintaining the identity of the Sanlorenzo planing fleet.

In the SL106 the new interpretation of the space turns into a new distributive layout. The main characteristics of the main deck is the path connecting the living room with the dining room/family lounge at prow, which creates a strong spatial continuity permitting an immediate and full perception of the yacht length, from stern to prow, and achieving a depth of field very unusual for yachts of similar size.
