SPECIFICATIONS

Overview

"BLUE EYES" is on the market and available for sale. By far one of the cleanest and well maintained 46's I have seen in quite a while. All of the Hatteras quality workmanship you would expect plus many upgrades. The sea keeping capabilities of a Hatteras Yacht is well documented throughout the industry and the 46 is no exception. Seller is motivated- relocating. Truly turn key, in the water and ready to go. If you are looking for an older Hatteras priced right this boat is a MUST SEE. Shown by appointment only.
