SPECIFICATIONS

Overview

Catalina 350

This is an opportunity to own one of Catalina's most popular yachts.

Little use and regular maintenance have kept this boat looking and operating well. As a preventative measure, an epoxy barrier was applied to the hull bottom in 2015 to ensure the longevity of this vessel.

This is the shoal draft model, with a wing keel and 4'6" draft.

She is currently ashore but may still be viewed, by appointment, at Safe Harbor Sakonnet Marina, in tax free Rhode Island.
