SPECIFICATIONS

Overview

Price just reduced

Frantastic II is a beautiful example of a Sovran 3600 that has been yard maintained with an open checkbook. As you first approach her dockside you'll take notice of the extended swim platform, perfect for stowing a tender or having evening cocktails while conversing with dock neighbors. Both port and starboard transom doors make accessing Frantastic II's open cockpit easy with any tie up. In the cockpit, two aft facing lounge bench seats flank the the centerline entrance to the helm deck. A large fold-away cockpit table can be found aft ideal for dining or in it's stowed position making room for additional deck chairs while entertaining. A stainless steel Isotherm slide out refrigerator is located to starboard just beneath the wet bar. To port on the helm deck, you'll notice large wraparound L-shaped seating. A power slide helm seat is located to starboard. The helm itself is outfitted with a large Simrad multifunction display, Simrad AutoPilot, and much more. The helm deck is fully air-conditioned making it a comfortable space regardless of the weather. Passing through the companionway door into the cabin you'll first notice the pristine condition of the teak and holly sole. Neatly hidden beneath the companionway stairs is the main distribution panel as well as a 50 amp Charles battery charger. To port you'll find the large head and to starboard a well designed galley. Moving forward a lounge sofa runs the remaining length of the port side of the salon which converts to a bunk for overnight guests. On the Starboard side of the salon is a dinette large enough to comfortably seat a family of four. The master stateroom features an island queen with plenty of storage throughout including a generous hanging locker to starboard. A wood bi-fold door and a drop away solid wood divider give privacy to this forward cabin. Mechanically, Frantastic II is as sound as they come. The 1000 hour service has been completed on her twin Cummins and service records are available. This is a great opportunity to own a Tiara 3600 that has been well cared for and maintained as one should be.
