SPECIFICATIONS

Overview

The Mainship 36 Double Cabin was always a popular aft-cabin motor cruisers under 40 feet. She is an easily driven, semi-displacement hull designed for efficient low-speed operation while retaining the ability to run at higher planing speeds. The belowdecks accommodations are arranged with the galley and dinette down a few steps from the salon, lower helm in the salon, and a walkaround double berth is located in the full-beam aft stateroom. With both the dinette and salon sofa converted, the Mainship will sleep eight not bad for a 36-foot boat. Topside, the flybridge is set up with the helm forward and guest seating aft, and there's room on the full-width afterdeck for a few pieces of deck furniture. With her 270hp Crusader gas engines, the Mainship 36 delivers a relatively good turn of speed. She'll cruise at 14-15 knots and reach a top speed in the low 20s. She has been well kept with several updates including the hardtop. Check out the Full Specs and call for an appointment to see her.

Basic Information

Model Year: 1985

Year Built: 1985

Country: United States
