SPECIFICATIONS

Overview

Good Tidings is an economical, low-maintenance luxury yacht styled in the Down East tradition. Her single diesel/bow and stern thruster combination is very efficient and maneuverable under way and in those difficult docking conditions. The galley-up layout two cabin set up accommodates two couples with an island queen forward and a double guest cabin to starboard. Opposite the galley is the helm with two STIDD chairs. The fully enclosed salon is surrounded by large windows, while overhead a large hatch provides additional ventilation and light. to the cockpit via folding companionway doors. Additional standard features include cherry cabinets, transom door, swim platform, windlass and trim tabs. She has an extensive list of factory and dealer options in the Full Specs. Her optional 600-HP Cummins diesel with 350 hours can reach a top speed of nearly 30 knots.

Basic Information
