ХАРАКТЕРИСТИКИ

Обзор

If closing day is the day you want to start the cruise that you have been planning for years, this is the boat for you. Ready to go, just splashed after completing regular maintenance on bottom including paint and stabilizer service. Not too big, not too small and easy to handle, this 43 is the perfect size for a couple planning to do extended cruising through the islands of the Caribbean the shores and inlets of your favorite cruising grounds and even "The Loop" that so many aspire to check off their bucket list. Exceptionally well maintained and upgraded, "OFF THE GRID" sports an extensive list of recently updated navigational, communications and entertainment electronics. Rigged for super high speed wi-fi to keep you well connected or in case you have a Netflix habit. All throughout the current owner has given great thought to make her a more comfortable and safe cruiser. Good boats are hard to find. Don't let this exceptional 2001 get away.
