Overview

54' Egg Harbor Convertible Flybridge 1989 **NESTEGG** sailing the fresh waters of the Great Lakes for many years with professional maintenance performed by marina owner and staff. You will not find a nicer Egg Harbor anywhere at this price point. The meticulous owner has upgraded nearly every facet of this fine 54' yacht. Detroit Diesel rebuilds only have 600 hours adding to the appeal. Attention to detail is shown throughout, even the engine room sparkles from ongoing maintenance and upkeep. Flybridge electronics have all been upgraded to very recent Raytheon integrated models to include the Hybrid touch system. Custom features throughout over her years of care to include heated storage for the winter months. The tuna tower is part of the package and can be either installed or kept off for lower stature, options available. Teak upgrades, new flybridge enclosure curtains make for a really spectacular viewing and navigation location with amenities galore. High quality Pompanette Captains chairs add to the nice environment in the bridge.
