SPECIFICATIONS

Overview

Best cruiser for world travel these 40's are fast, easy to handle and can take on almost any weather with ease, comfort and security. Built with proprietary materials these boats age well and provide value beyond the norm. I am most impressed by this product. This boat has all the right stuff including (new 2012) RayMarine radar/chart, double anchors, cutter rig with Jobson self tacking jib, Custom Covers dodger, good teak and strong maintenance. Call me to see this in Westbrook Ct.

She has just added a new Mainsail and a new Fairclough full winter cover. Don't miss a chance to see this beautiful boat. **ENGINE HOURS AT ONLY 2184**

A current survey available to a qualified buyer and HUGH PRICE REDUCTION INTO THE NEW YEAR!

Manufacturer Provided Description

Designed with Island Packet Yachts' exclusive Full Foil Keel, the Island Packet 40 unifies the performance attributes of modern hull and foil designs with the superior safety, enhanced steering qualities, and more seakindly motion available only with a long keel. This feature brings numerous benefits to the cruising sailor: superior protection from damage or fouling of prop and rudder, an integral hull and keel construction for the strongest possible unified structure, a moderate draft with exceptional stability characteristics for shallow water gunkholing or worldwide voyaging, and winning performance capabilities. Full-length cabin top handrails, double lifelines with welded bow and stern rails, recessed foredeck with bulwarks, and a premium, slip-resistant surface of a contrasting low-glare gelcoat all contribute to offshore safety. Forward, the integral bowsprit-anchor platform increases sail area, improves sheeting angles for enhanced windward performance, and provides ready stowage and immediate access for ground tackle. The 8-foot long cockpit has full-length contoured seats offering plenty of room for comfortable sitting or stretching out. A premium, console-mounted rack and pinion steering system is employed for its exceptional feel and rugged reliability. Integrated into the custom steering console are the single-lever engine control, compass, and flip-up cockpit table. The cutter rig used has furling systems on both the genoa and self-tending staysail. The skipper has a variety of sail combinations available that are readily adaptable to maximize comfort, safety and performance over a wide range of wind and sea conditions. The generous sail plan, utilizing three simply managed sails, coupled with the easily-driven, long-waterline hull form, assures excellent light-air performance. Belowdecks, two double staterooms, well-separated for privacy, and each with an adjoining head and shower, combine with an expansive central living area to provide a gracious setting. Overhead handrails, bulkhead handgrips and an easily maintained, molded slip-resistant cabin sole offer sure-footed movement while underway. The wraparound galley is equipped with a host of detail features for both convenience and safety. The L-shaped settee in the main salon can be quickly converted to an extra double berth with its built-in pullout panel. Forward, there is an elegant, full-width owner's stateroom, with generous stowage. The aft stateroom is similarly roomy and inviting, and has a huge double berth. The engine is mounted on a molded engine bed with an integral drip pan. Fastidious mechanical, electrical and plumbing systems are all in evidence here and are easily accessible through a removable front panel, hinged side panels and an aft cover. All Island Packet 40 structural laminates and internal reinforcements are designed to meet or exceed rigid ABS standards for offshore yachts. Hulls are molded of knitted triaxial roving, offering vastly superior impact and puncture resistance compared to conventional woven rovings or cored construction. Deck laminates are engineered for high-strength with reduced weight, utilizing Island Packet's exclusive PolyCore system.

Interior construction features an engineered grid system and reinforced fiberglass structure fully bonded with the hull to form a unit structure of immense strength and durability.

Equipment List

Island Packet 40 Specifications - Standard Equipment Rig - Sails - Hardware - Sails: Kappa Furling Main recently replaced, 130% Harken roller furling genoa, Harken roller furling staysail, foam uv protective luff, spinnaker w rigging- Genoa gear, including tracks, blocks, sheets and furling system - Staysail gear including Gary Hoyt self tacking boom w traveler, blocks, Lewmar Ocean Series 8C sheet winch, Lewmar Ocean Series 8C halyard winch, furling system - Jib halyard winch on mast, Lewmar Ocean Series 24C, 2-speed - Main halyard (on roller bearing masthead sheave) and main sheet, led to cockpit through stoppers to Lewmar Ocean Series 30CST winch - All halyards internal; color coded running rigging, convenient coaming storage bins for lines - Boom vang - Winch handle - 10" lock-in chrome - Jib sheet winches (2) Lewmar Ocean Series 48CST, 2 speed - Harken Main sheet traveler w- 4:1 control system - Welded stainless steel double bow rail & stern rail, stanchions, stern rail with stainless steel flag staff holder Wheel steering - console mounted custom Whitlock rack & pinion direct system with wheel brake, stainless steel wheel. Autopilot installation. Custom pedestal w- guard, single lever engine control, hinged table. Emergency tiller with storage bracket - Compass, Ritchie SP-5, custom nav grid - Double lifelines w- side gates, full length teak cabin top handrails - Stern gate w- quick release hook - Swim ladder (stainless steel transom mount) w- teak steps - Two heavy duty stainless steel anchor rollers w- hinged deck pipes to forepeak - Four 12" mooring cleats, two 10" spring line cleats, chocks and stainless steel chafe guards - Twin backstays for easy stern boarding & unobstructed helm seating - Keel stepped mast, all anodized spars - Sparcraft Ocean Series Interior - Thirteen opening ports w- screens - polished stainless steel, safety glass - Seven deck hatches-forward head, forward cabin, salon, aft head, aft cabin, galley nav area - Lewmar (acrylic & aluminum) - Four deck ventilators (dorade type) w- screens - Large forepeak w- louvered access door & overhead deck pipes, light, drain to bilge, center divider w- attachment for rode - Forward head w- shower (drain to auto sump), w- curtain on track, teak seat, large vanity with polished stainless steel sink, hot-cold pressure water w- shower, unbreakable mirror, Formica counter w- teak trim, storage cabinets, two opening ports and an overhead hatch, toothbrush holder w- cup, toilet paper holder, integral recessed lighting - Forward cabin w- privacy doors to salon & head compartment. Large double berth w- full-length teak shelf outboard and overhead shelf on headboard - bulkhead with reading light under, large stowage lockers and six cedar lined drawers under. Generous cedar lined hanging locker w- shelf over plus bureau w- shelf over. Three opening ports, overhead hatch, deck vents, varnished teak & holly sole - Main salon w- L-shaped pullout double settee berth to starboard, single settee berth to port, teak cabinets & book shelves outboard of both settees. Large stowage areas behind

& under each settee. Cedar lined hanging locker w- shelf over. Deluxe drop leaf table folds against bulkhead rack (w- bottle stowage) for unobstructed 4' wide varnished teak & holly sole. Large overhead hatch, numerous opening ports, deck vents & overhead handrails

- Navigation station w- large table w- tray storage under, nav light, two position table top, generous nav - electronics cabinet w- master AC-DC electrical panel plus room for variety of owner installed equipment.
