SPECIFICATIONS

Overview

Moonrise is Hull #1, and a rare opportunity to own the one that began it all for this pedigree gentleman's daysailer!

Professionally restored to pristine condition and currently rigged for competitive club racing, this very special boat will win your heart at first sight. Sleek lines, teak accents and an overall classic look give way to impressive performance satisfying the most demanding club racer. Ralph Schacter, an avid Connecticut sailor, commissioned Carl Schumacher to update the original Alerion 26 to a more modern rig and underbody. Moonrise was the result, and it was built by Lost River Marine in Stuart, Florida in 1989. The current owner has restored and maintained this treasure with an "open checkbook" policy keeping Moonrise in perfect condition. Full restoration records and service records are available upon request. Indoor stored on a custom trailer each winter. Moonrise is absolute must see!

Basic Information

Model Year: 1989

Year Built: 1989

Country: United States

Dimensions

LOA: 28' 4" (8.63m)
