SPECIFICATIONS

Overview

This 1986 Grady White 24 Fisherman with professional major refit completed in the spring of 2008 shows like a new boat. The traditional stainless steel bow rail was removed at the time of the refit and painting.

It will take a careful look at the HIN number to confirm that this custom offshore look is not a new modern boat.

Don't miss the opportunity to own this boat at a fraction of her replacement cost of well over \$120,000!
