SPECIFICATIONS

Overview

Very clean and professionally maintained she's powered with Twin Mercruiser MX 6.2 MPI's with Bravo III drives and 320 hp with only 218 hours. Formula is noted for engineering and quality of build in a stylish, fast and sea worthy hull. She is turn key ready to cruise 2 or day trip up to 10 guests.

The SS has creature comforts galore, 40+ mph performance, superior construction and unparalleled styling. Familia Karol has been impeccably maintained by her professional captain and marine engineer. She is available with the option of a slip at an upscale Rhode Island Marina and two international shipping depots are very close. Keep in mind that RI does not have a sales or use tax on vessels berthed there. She shows new and is reasonably priced....so why buy new?

Please see the full specifications for detailed information and the gallery for additional photos.
