### Additional Information

### Vessel Walkthrough

The Sea Ray 480 Sedan Bridge features twin, 615-horsepower Cummins QSM-11 engines. The interior of the boat includes three private staterooms, two full heads, two entertainment centers, and sleeping accommodations for many people.

### Engine Room, Engines and Machinery

Overview: Engine room and lazarette are accessed through a large 3'x4' locking hatch located center of the cockpit. A flush mounted latch and gas springs provide ease of operation. Looking aft provides inspection and access of transom mounted features and rudders. Generator, batteries, air conditioning and water tanks are all in close proximity for easy maintenance. Forward of the hatch opening is the engine room with good access between both engines, ample 120V fluorescent lighting provides easy visual inspection of engines and systems.

- Twin Cummins QSM-11 615 HP
- 975 Original Hours , 1000 hour service completed 5/15
- ZF 325-1A Marine Gears 1.7:1

- Trim Tabs
- Spare Props

## Tanks

- Fuel Capacity: 510 Gallons in 2 Aluminum Tanks
- Water Capacity: 140 gallons
- Waste Capacity: 68 Gallons

## Hull and Deck

Overview: The Sedan Bridge allows for quick and easy transit from bow to stern with almost full length stainless steel rails, ample width gunwales and molded fiberglass cockpit steps. A transom door provides easy access to the swim platform and molded fiberglass steps again provide easy access to the bridge. Deck surfaces are molded non-skid and all deck hardware is high grade stainless steel. True to form with Sea Ray, their thoughtful engineering is evident throughout from the DC panel located under the bridge steps, hydraulically actuated swim platform, fresh water cockpit shower, cable-master shore power system and transom storage.

- Anchor Windlass (all chain)
- Anchor Locker
- Stainless Steel Anchor Chute
